BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of licensed women pilots from 30 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding. Virtually all women of achievement in aviation are, or have been, members of The Ninety-Nines.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily educational and charitable. Currently, among a

long list of activities, Sections and Chapters sponsor several hundred educational programs, such as aerospace workshops for teachers, airport tours for school children, fear-of-flying clinics for airline passengers, and flight instructor revalidation seminars.

For many years, Ninety-Nines sponsored more than 75 percent of the Federal Aviation Administration (FAA) pilot safety programs in the U.S. Today The Ninety-Nines has joined with the FAA to become the first industry member on the FAA Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985

November 2, 1929—Organizational meeting for what would become The Ninety-Nines, Inc.

and 1993, and one in Nepal in 2000.

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for “outstanding contributions to progress in aviation and space,” and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education.

MUSEUMS

In 1984, the organization was able to purchase the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. In 1994 The Ninety-Nines joined with the City of Atchison to implement an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia’s childhood.

In 1988, The Ninety-Nines completed and occupied the second of two buildings built by the organization on the grounds of Will Rogers World Airport in Oklahoma City. In 1996, fund raising was begun to complete the 99s Museum of Women Pilots and it was dedicated in July of 1999. Today it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative aims to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards Amelia Earhart Memorial Scholarships to qualified members for advanced flight training or coursework in specialized branches of aviation. In 2007, twenty-one AE Scholarships were given, including three New Pilot awards, and a Maule Tailwheel Training

award. Funding for these scholarships include member contributions and major industry support from United Parcel Service.

Amelia Earhart Research Scholar Grants are awarded periodically for specialized research to expand knowledge about women in aviation/aerospace. In addition, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Achievement recognizes Ninety-Nines, Sections, or Chapters making significant contributions to aviation, aviation education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President’s Award honors those Ninety-Nines who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart’s husband, recognizes the exceptional support of individuals or a group.

99S PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

AWARD OF MERIT

The Ninety-Nines Award of Merit recipient is **Northwoods AirLifeline**. They are a non-profit organization of volunteer pilots from Michigan's Upper Peninsula and northeast Wisconsin who donate their time and aircraft to help patients and their families with urgent medical needs for services not found locally. Northwoods AirLifeline was conceived by Bob Larson of Kingsford, Michigan in 1989. Bob and his wife Ruth still actively coordinate the group's efforts. The organization recruits volunteer pilots, operates a dispatching network to receive and fill requests for transportation, and conducts community education and fund-raising programs for its services.

AWARD OF INSPIRATION

The Ninety-Nines Award of Inspiration recipient is **Vee Gordon**. Vee joined the Ninety-Nines in July 1964 as a member of the Colorado Chapter. After moving to Wichita in 1999 she joined the Kansas Chapter. Now a retired Vice President of the Pioneer Bank of Arizona, Vee used her flying skills to visit many bank branches. She has been a strong supporter of The Ninety-Nines and The 99s Museum of Women Pilots and has made several sizeable contributions to both. She has served on the Building Maintenance Committee for the past two years, keeping abreast of all

the needs of our Museum and Headquarters Building.

AWARD OF ACHIEVEMENT

The Ninety-Nines Award of Achievement recipients are **Pearl Bragg Laska Chamberlain** and **Verna West**.

Pearl Chamberlain is an exemplary role model who opened the skies for each of us to follow and flourish as women in aviation. In light of her years as a member of the Civilian Pilot Training Program, U.S. Navy and Air Force Flight Instructor, WASP, Alaskan commercial bush pilot and flight instructor, Powder Puff Derby pilot, university aviation instructor, ultra-light pilot, and member of United Flying Octogenarians, she is very deserving of this award.

Verna West's mission was to become a student of aviation history and she became an invaluable resource for The Ninety-Nines. It is apparent to all, Museum Trustees as well as the entire organization that had Verna not found her passion for understanding the importance and accuracy of historical and photographic recording, the organization and women's aviation history would not be as rich as it now.

PRESIDENT'S AWARD

The President's Award recognizes **Larry Stubblefield** and the associates of LWPB Architecture. Larry is an architect and Manager of

LWPB. He became acquainted with The Ninety-Nines when he was President of his practice and has since carried that association with him to LWPB Architecture when he joined the firm in 2006. What started out as a small attempt to "plug" a few leaks, turned into a much greater role in helping The Ninety-Nines develop a vision for their future. Along with the input of LWPB, Larry has become an advisor on the day-to-day care and maintenance of our Headquarters Building. It is no secret that the affiliation between Larry Stubblefield, LWPB and The Ninety-Nines has become a special partnership. It is through this small token of recognition that we say thank you for all their support and caring. We look forward to a continued relationship as we improve our Headquarters Building and The 99s Museum of Women Pilots.

GEORGE PALMER PUTMAN AWARD

The George Palmer Putnam Award recipient is **Glen Morrow** husband of Past-President Elaine Morrow. Glen has spent much time and energy helping and promoting The Ninety-Nines and flying in general. Glen tirelessly supported Elaine during the two years she served as our International President. He has hauled boxes and run errands at International conferences, so much so that the hosts even send him "thank you" notes!

THE 99s EMAIL NETWORKS**99s Network**

The 99s Email Network is a communications network for 99s to discuss varied topics such as flying, Section/Chapter innovations and ideas, networking and mentoring, being a 99, and much more. If you have a question or want to share some information with other 99s, this is the place for you!

Pro 99s Network

The Pro 99s Email Network is for women who are progressing towards or advancing in their careers as professional pilots. Discussions include all topics pertinent to pilot careers, including the benefits and disadvantages of different pilot career opportunities, flight training and building flight time, finding scholarships and jobs, coping with disappointments, and balancing work and family.

99s Flight Training Forum

The 99s Flight Training Forum is an email discussion forum about flight training issues for all 99s members. Topics of discussion include finishing the private pilot certificate, moving into larger aircraft, training for advanced ratings, check rides and much more.

EDITORIAL GUIDELINES FOR THE 99 NEWS

The 99s News team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine. The 99 News will continue to accept articles in longhand or typewritten from those who do not have access to a computer.

MANUSCRIPT SUBMISSION

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on *99 NEWS Magazine* and then click on *online reporter form* located directly under the deadline dates. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and avoid headers and footers.

If mailing your article, please send the text in PC format on a CD (or a floppy), along with a printout. E-mailed articles will be accepted as text attachments following the guidelines mentioned above. Please try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone/fax number and e-mail address with your submission.

PHOTOGRAPHER'S GUIDELINES

Photograph Submission: If you mail us photographs, please put your name on the back of every photograph you submit. It is best if you fill out a label and attach it to the back of the photograph. If you use ink be sure it is smear-proof (not ballpoint) and dries thoroughly. Furnish photographer's credits and caption information. Each caption should explain who, what, when, where and other appropriate information. Please do not use paperclips on photos. **NOTE:** If you are submitting more than 8 photos, send the photos on a CD or DVD.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest resolution setting. Many digital cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Manually set your camera resolution to

"Fine" or "Best Quality" (check your manual for specific settings).

If you are scanning a photo, the setting should be at 300 dpi. If the photo is very small, please enlarge to 200 percent and scan at 600 dpi. We will adjust photos for color and crop for size as needed for publication.

Do not submit photos copied from a newspaper, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Please do not insert your photo into a text document. If you send the photo(s) by email, be sure to send the photo as a separate attachment and rename the photo to identify it with the article.

CHARITABLE GIVING INFORMATION

The Ninety-Nines offer a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Endowment Fund. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

“I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$_____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of the Endowment Fund of The Ninety-Nines, Inc.”

For additional information, contact any of the trustees of the Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. All requests for information will be treated confidentially.

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or the 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
