BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of women pilots from 47 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily

educational and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

*November 2, 1929 – Organizational meeting for what would become
The Ninety-Nines, Inc.*

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education. In 2010 and 2011, The Ninety-Nines was awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards Amelia Earhart Memorial Scholarships to qualified members for advanced flight training, coursework in specialized branches of aviation or for specialized research to expand knowledge about women in aviation/aerospace. In 2012, twenty-two AE

Scholarships were given to members from many different countries. Funding for these scholarships include member contributions and major industry support from United Parcel Service.

In addition, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Awards of Achievement (3) recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President's Award honors those Ninety-Nines who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

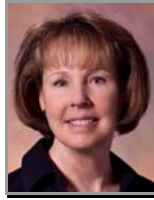

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

Did you know there was a “Song of the Ninety Nines”?

It was written by Dick Ballou in 1941 and was adopted as our official song at the annual business meeting held July 5, 1941 in Albuquerque, New Mexico.

As you flip through the pages of the directory, you will see partial lyrics and the full song is published on the last two pages of this directory. The first line will be on page 25.

Award of Achievement for Contributions to The Ninety-Nines

Carole Sutton has contributed over 40 years to The Ninety-Nines and almost 30 years to the Amelia Earhart Birthplace Museum. She has also served numerous times as Nebraska Stop Chairman for the Air Race Classic when they have stops in Nebraska.

In 1978, after receiving the Amelia Earhart Scholarship, Carole knew she wanted to give back. When ownership of Amelia's Birthplace Home was donated to The 99s in 1984, Carole ran for the Board of Trustees of the AEBM. She served as Secretary and then as Chairman of the Board of Trustees. In April 2008, Carole attended the christening ceremony and launch of the USNS Amelia Earhart in San Diego after promoting the event through the AEBM. Carole also wrote a grant for the Hampton Hotels Save-A-Landmark program. Through her efforts, the AEBM was chosen to honor the theme Legends in 2008. The AEBM received a \$20,000 grant, and 40 people from Kansas and Missouri Hampton Inns gathered, volunteering hundreds of hours to help with restoring the Museum. Carole coordinated the event to coincide with Amelia's 111th birthday on July 24, 2008. Carole coordinated with NASA Astronaut Randy Bresnik to carry a photo of Amelia with him on a trip to the space station. A 5x7 photo of Amelia taken by Randy's grandfather, Albert "Randy" Bresnik, who was Amelia's photographer, accompanied the crew into space in November 2009. At Carole's request, Randy and crew signed the photograph, which was returned to the AEBM for display with other Bresnik photos.

Award of Achievement for Contributions to Aviation

Deborah "Debbie" Gallaway has been an avid private pilot since 1977 and often flies her vintage Swift aircraft to air shows and fly-ins. She serves as a U.S. representative to the Fédération Aéronautique Internationale's Commission for Aviation and Space Education and also has represented NASA on the National Coalition for Aviation and Space Education and the Brewer Educational Forum. She was inducted into Civil Air Patrol's Crown Circle in 2002 for "Evidence of extraordinary accomplishment in a leadership role in Aerospace Education." In 2004 she received the Frank G. Brewer Trophy for significant contributions of enduring value to aerospace education in the United States.

An undergraduate of Texas A&M University with a Master of Education from Wright State University, Debbie has been a classroom teacher, an official with the U.S. Department of Education and a program manager for NASA where she managed the agency's teacher enhancement and faculty preparation programs attended by educators, hundreds of college faculty and thousands of pre-service teachers. She was also detailed to the White House by NASA to help establish the foundation for the Global Learning and Observations to Benefit the Environment (GLOBE) program and later served as NASA's lead educational liaison for the White House Mars Millennium Project that involved thousands of students. Her last position, manager of NASA's Explorer Institute Program, builds upon her passion for supporting aerospace education and aviation as a whole and encouraging collaboration between government agencies. During 2000-2003, she served as

assistant director for programs for the U.S. Centennial of Flight Commission.

Currently she is a volunteer, teaching aviation programs for young people and teachers at the Udvar-Hazy Air and Space Museum in Chantilly, Virginia.

Award of Merit

David Black is the founder and principal operator of Air Time Canada. The Air Time Canada concept started some 23 years ago when David was doing volunteer work in a Youth Detention Center tutoring kids in high school math and physics. There he met a man who forever changed his life — a psychiatrist and amazing human being who had developed a program using cameras and photography as a tool to help troubled kids learn about leadership and responsibility.

Intrigued by the possibilities that aviation might offer along those same lines, David worked with the doctor to develop the original Air Time Canada program. It was carefully designed to give troubled kids a chance to interact with positive role models and develop self-esteem, leadership skills and a sense of responsibility.

It took seven years of fighting an uphill battle against government red tape to realize that the program would never succeed within the corrections system. David was determined to get the program going and ran it in a church basement, funded out of his own pocket, with troubled kids sent to him by police officers and social workers he met along the way. The program was completely free, including the classroom, flights, supplies, taxes, even snacks and lunches. It was a huge success, and dozens of kids and parents attribute the program with being the turning point in their lives.

The program has been going strong now for almost 13 years, and almost 1,100 people have graduated from and flown through the Air Time Canada program since 1994.

George Palmer Putnam Award

Bob Jones personifies the values and contributions of the George Palmer Putnam award with his contributions to The 99s. His love of flight is contagious, and it shows by the number of 99s and others whom Bob has influenced. Skills, the gift of teaching, wisdom — he has them all. His has instructed over 1,000 people in flight training. Much loved now, Bob will be revered by The 99s forever. He taught Onita Hoff, a charter member of the Idaho Chapter, how to fly, as well as her son, daughter and grandson. Bob is the resident instructor at the Eastern Idaho Chapter's annual mountain flying clinic. And, when the Idaho Chapter presents Flying Companion Seminars, Bob is always eager to help, especially with the segment on how airplanes fly. He demystifies flight and convinces even the most white-knuckled flying companion that flying can be fun and safe. Teaching wasn't his plan in the beginning. Fighting was. Bob comes from the World War II era. Going from high school to cadet school with the Army Air Corps seemed like the natural order of things. He learned to fly T-6s at Luke Air Force Base in Arizona during World War II and was commissioned as an officer at the age of 19. He felt that if he stayed in the Army Air Corps he wouldn't get much flying, so he came home to southeast Idaho. He did plenty of flying then, shuffling a heavy flight schedule with a full-time career as an engineer at the National Engineering Laboratory in Idaho Falls.

Award of Inspiration

Catherine "Kitty" Houghton was a graduate of what is now known as the White Mountain School and a member of their Board of Trustees. She earned her Bachelor's Degree in Anthropology from the University of California, Berkeley, and her M.A. and Ph.D. in Linguistics from Stanford University. Kitty served in the Peace Corps in one of the very first groups to go to Nepal. She worked as an international officer for Bank of America, and also for DuPont, before joining the U.S. Foreign Commercial Service in 1979, working at embassies all over the world during the course of her 28-year career in public service. She spoke 14 languages and was fluent in six of them, including Mandarin and Bengali. Following her retirement from the Foreign Service in 2007, she continued to lead a very active life. She sang first alto and served on the board of the Choral Singers of Marin. A member of The Ninety-Nines since 1996, she was Membership Chair for the Marin County Chapter and was working on a film about the Nepal Chapter at the time of her death. Kitty was a volunteer pilot for Angel Flight, which provides free air transport for people with medical needs, and Lighthawk, a non-profit organization providing flight transportation to conservation purposes. An avid skier, hiker and musician throughout her life, she remained extraordinarily fit and enjoyed music and theater. Kitty left the world an amazing legacy, a standard of generosity, achievement and compassion to which all may aspire.

President's Award

Clay Lacy started flying at age 12. As an adult, he joined United Airlines as a copilot on DC-3 aircraft, took military leave and attended Air Force Pilot Training, then returned to United Airlines and continued to fly military fighters and other aircraft with the California Air National Guard. With over 50,000 hours as a pilot, Clay holds an Airline Transport Pilot Certificate with SEL, MEL and helicopter ratings as well as 32 aircraft type ratings. He also holds Flight Instructor and Flight Engineer Certificates. He retired Seniority Number One from United Airlines in 1992. At that time, Clay was flying the Boeing 747-400 from Los Angeles to the Orient. Clay is the owner and CEO of Clay Lacy Aviation at Van Nuys Airport. With his exclusive Astrovision-equipped Learjets, Clay has filmed almost every airline commercial made, most Hollywood aerial filming and done much of the photo work for the aircraft industry and military. As a member of the Screen Actors Guild and Directors Guild of America, Clay has participated in dozens of aviation movies. He has been honored for his aviation achievements many times. His racing career is legendary, as is his test flying and first flights on many aircraft. Clay has been a good friend and supporter of The Ninety-Nines over the years. He has donated to 99s causes, allowed us to use his facilities, participated in Career Days, helped fundraise by flying passengers who won our raffles or silent auctions in his fabulous and luxurious DC-3, and generally promoted our organization and activities.

EDITORIAL GUIDELINES

The 99s News team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine. The *99 News* will continue to accept articles in longhand or typewritten from those who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on *99 NEWS Magazine* and then click on *Reporter's Online Form* directly under the links to the current issue. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and avoid headers and footers.

If mailing your article, please send the text in PC format on a CD, along with a printout. E-mailed articles will be accepted as text attachments following the guidelines mentioned above. Please try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone/fax number and e-mail address with your submission.

DEADLINES:

January-February issue: December 1
March-April issue: February 1
May-June issue: April 1
July-August issue: June 1
September-October issue: August 1
November-December issue: October 1

Photograph Submission

If you mail us photographs, please put your name on the back of every photograph you submit. It is best if you fill out a label and attach it to the back of the photograph. If you use ink be sure it is smear-proof (not ballpoint) and dries thoroughly. Furnish photographer's credits and caption information. Each caption should explain who, what, when, where and other appropriate information. Please do not use paperclips on photos.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest resolution setting. Many digital cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Manually set your camera

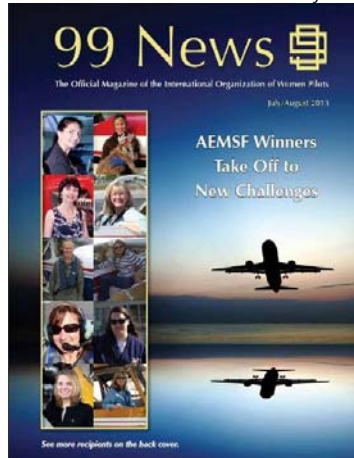

resolution to "Fine" or "Best Quality" (check your manual for specific settings).

If you are scanning a photo, the setting should be at 300 dpi. If the photo is very small, please enlarge to 200 percent and scan at 600 dpi. We will adjust photos for color and crop for size as needed for publication. NOTE: If you are submitting more than 8 photos, send the photos on a CD or DVD.

Important--do not submit photos copied from newspapers, magazines or books or are reproduced on a copier. They produce a spotty pattern

when published due to the dot system used in the printing process.

Do not insert your photo into a text document. If you send the photo(s) by email, be sure to send the photo as a separate attachment and rename the photo to identify it with the article.

Song of the Ninety Nines

In the air
 Everywhere
 It's the song of The Ninety-Nines
 Wings in flight
 Day and night
 With the song of The Ninety-Nines
 On the line
 Fliers fine
 Ships and spirits tuned in rhyme
 Keep that formation over the nation
 With the song of The Ninety-Nines

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$ _____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."*

For additional information, contact any of the trustees of The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. All requests for information will be treated confidentially.

*Purpose: The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship Fund, the Amelia Earhart Birthplace Museum, The 99s Museum of Women Pilots or The Ninety-Nines International Headquarters.

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
