BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of women pilots from 47 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily educational

and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition – the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

*November 2, 1929 – Organizational meeting for what would become
The Ninety-Nines, Inc.*

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education. The Ninety-Nines have been awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community every year since 2010. In 2014 the organization was inducted into the San Diego Air and Space Museum Hall of Fame.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards Amelia Earhart Memorial Scholarships to qualified members for advanced flight training, coursework in specialized branches of aviation or for specialized research to expand knowledge about women in

aviation/aerospace. In 2014, twenty-one AE Scholarships were given to members from many different countries. Twenty-six FLY NOW awards were given for members to complete their private certificates. Funding for these scholarships include member contributions and major industry support from United Parcel Service.

In addition, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Awards of Achievement (3) recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President's Award honors those who, in the estimation of the President, have gone above and beyond in their contributions to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

Award of Achievement for Contributions to The Ninety-Nines

Nadine Dugden is inspirational to all members of the Minnesota Chapter. She has been a very active member for more than 40 years. While holding the position of AE Scholarship Chairman, Nadine spent a great amount of time assisting applicants through the scholarship process as well as mentoring new members. She has held every post in her 99s Chapter. She has spent countless hours volunteering by flying blood for the American Red Cross and daffodils for the American Cancer Society.

Nadine has been flying for over 40 years and was the first woman in the state of Minnesota to earn an instrument rating. She is active on the Airport Commission for the city of Mankato and has donated significant financial support for the past 30 years to the aviation program at Minnesota State University and mentors the program and its students as well.

She regularly seeks and obtains new members for her 99s Chapter and promotes them tirelessly. She and her husband were instrumental in organizing the largest aviation show in Minnesota, which included the Thunderbirds and other celebrated flyers and hundreds of volunteers. She promoted Minnesota Chapter members volunteering during the air show and secured a \$720 donation for the scholarship fund for their efforts. She was instrumental in having the Chapter host Julie Clark during and after her performance at the air show.

Nadine is one of the finest examples of what The 99s is about.

Award of Achievement for Contributions to Aviation

Joan Maces's career in aviation began in 1942 during World War II building Helldiver aircraft for the Navy at the Curtiss-Wright factory in Columbus. But she couldn't build them without developing a desire to fly them. She worked the night shift so she could learn to fly by day.

Joan was accepted to the WASP program, but it was disbanded before she could start training. She applied to the airlines, who told her women couldn't do the job. So, Joan earned her commercial and instructor licenses and turned to instruction at Ohio University in Athens, Ohio. The only woman on a staff of 22 instructors, she earned about \$2 an hour.

Ohio University was mainly training returning veterans using the GI Bill to learn to fly. When the GI Bill benefits ended in 1948, the OU program ended also, and Joan began raising a family of three boys. However, 15 years later in 1963, OU established a flight instruction program and thought enough of Joan and her previous work to ask her to come back. With her youngest in kindergarten and the full support of her husband Nolan, also a flight instructor, she happily took it on.

When the university made a rule in 1968 that all teachers had to hold a degree, she took that on, too, taking one course at a time. The university approved her efforts in order to keep her on staff. Ten years later, she graduated in the same class as her oldest son Mark, both *summa cum laude*.

While Joan was doing all this, she also earned more ratings, culminating with the highest FAA license given, the Multiengine Air Transport Pilot Certificate. She was one of only 60 women in the country at that time to do so.

She earned full professor status at OU, and in 1983 she was named head of the department, the first woman to head a university aviation department. Joan also became a designated FAA examiner for private, commercial, instrument, multi-engine and all flight instructor ratings. She retired from Ohio University in 1994, having taught there for 30 years, logging over 12,000 hours of instruction and guiding well over 1,000 students to their aviation degrees and more.

After retiring she became the chief check pilot for the Ohio State Wing of the Civil Air Patrol and flew with the Airborne Coast Guard Auxiliary.

Humanitarian Award

Carol Sokatch is truly an inspiring and dedicated person. She has been a member of the Oklahoma Chapter of The Ninety-Nines since 1982 and has worked tirelessly to support the Chapter and its activities since that time. She has also been involved in a number of aviation-based organizations and activities beyond The Ninety-Nines, including the Oklahoma Pilots Association.

Her involvement on the International level includes Election Judge for the International Convention, 1997; International Elections Procedure Committee, 1997-98; and volunteer at International Headquarters, 2000 to present. Carol is also a dedicated member of the Oklahoma Chapter, having served as Chapter Chairman, 1995-97 and Chapter Secretary, two separate terms.

In addition, she was the liaison between the Oklahoma Chapter and the Convention Planner when the Oklahoma Chapter hosted the 1996 International Convention in Oklahoma City, 1995-96.

She also presented aviation and aerospace programs to school groups and youth organizations and served as Chapter liaison for the Air and Space Museum for over 10 years, helping with summer camps, school visitations and Exploration Celebration. Carol also served on the Oklahoma Aeronautics Commission coordinating their statewide Aviation and Aerospace Art contests.

The Okie Derby Air Rally benefits from Carol's dedication. She served as chairman in 1993, has been on the Board of Directors from 2003 to present, was Hospitality Chairman from 2007 to present and served in other capacities over the years.

While Carol was Fundraising Chairman for the Wings of the Future scholarship, 1993-2003, the scholarship flourished and the amount awarded each year increased.

As if Carol's aviation involvement hasn't kept her busy enough, she graciously gives her time to a variety of needs in the Oklahoma City area, including The University of Oklahoma Health Sciences Center, Oklahoma City; Helping Hands Program, Oklahoma City Public Schools; and the National Cowboy and Western Heritage Museum.

Award of Merit

Joseph Gordon (Joey)

Sanders fulfilled his childhood dream of flying a fighter jet, but that is only one of his many successful aviation careers.

Lt. Col. Sanders recently retired from the Birmingham ANG 117th with a distinguished military career in the F4 Phantom and the KC 135. He has worked for an international freight carrier as captain on the MD11 since 1987. In 1996 he founded Sanders Aviation, a Fixed Based Operation at the Jasper Alabama airport. At that location, Sanders

Flight Training was established, and additional offices at the Shelby County Airport and Marion Military Institute soon followed.

Sanders T-6 Race team was formed in 2004 for the National Reno Air Race Championship. During the 50th Anniversary Reno Air Race, Team Sanders celebrated 10 years of air racing and four First Place silver finishes in Big Red T-6 that turned 40 years old in 2013.

Joey is the president of the T-6 Racing Association, the T-6 Air Race Instructor and Check Airman and a member of the T-6 Class Board of Directors. Since 2006, Joey 'Gordo' Sanders and Big Red have performed in air shows, participating in national and international venues.

He donates proceeds and hosts fundraisers for The Birmingham Aero Club Scholarship Fund, The Southern Museum of Flight, Dreams on Wings and numerous charity appearances and performances.

Following Alabama's deadly tornado outbreak in 2011, Sanders Aviation hosted a relief benefit drawing almost 1,000 in attendance where The Ninety-Nines assisted.

Joey was born and lives in Jasper, Alabama, with his wife and two daughters.

George Palmer Putnam Award

Just as George Palmer Putnam was husband, promoter and number one fan of The Ninety-Nines first elected President, Amelia Earhart, **Bob DeLong** was always there for his life and love, former President Thon Griffith DeLong, as well as Ninety-Nines everywhere.

Bob was a constant friend of The Ninety-Nines, attending as many Orange County Chapter and International events as his health would allow in recent years. He even accompanied Thon to the International Conference in Hawaii to show

support show his support, not only for his wife as a former President of the organization, but for all Ninety-Nines.

When Thon and Bob met and married about 10 years ago, The Ninety-Nines were in the midst of a fundraising campaign to get enough money to purchase the 1929 Travel Air in which 99s Charter Member Louise Thaden won the 1929 Powder Puff Derby. At the same time, Thon was also heavily involved in cataloging historical memorabilia for the new 99s Museum of Women Pilots. Bob was a great support to Thon in her travels every few months from Southern California to Oklahoma City.

When he learned that The Ninety-Nines had not been able to raise enough money to purchase the Travel Air and get it home to Oklahoma City, Bob stepped forward anonymously to donate the additional \$100,000 needed to purchase the airplane. He did this because of his love and respect for The Ninety-Nines and because he felt the airplane must belong to the organization and be brought home to headquarters. He asked that his donation remain a secret until after Thon's death, when he allowed the donation to be revealed.

In addition, Bob also funded an AE perpetual scholarship in Thon's name, again, not only to honor her but to support The Ninety-Nines and future aspiring pilots who deserve to follow in the footsteps of Amelia and Thon in pursuing their goals and dreams in aviation.

As a pilot and aircraft owner himself, he was always there with a word of encouragement, especially when it came to pursuing a goal in aviation. Sadly, Bob flew on to New Horizons in December 2013, following his beloved Thon who had gone on before him in March.

George Palmer Putnam Award

David E. Pearce started his aviation career in 1955. In 1975 he became a designated examiner for all Pilot Ratings and Certificates for Fixed Wing Aircraft. He has also been a flight and ground instructor for all FAA Fixed Wing Ratings. He has lectured extensively on Aviation Safety, Rules and Procedures. In 1981 he received the FAA Flight Instructor of the Year award. From 1989 through 1993, he served as an Associate Engineer for the FAA's Advanced Automation System (AAS) Program. This program involved major upgrading of the FAA enroute terminal and tower and air traffic control facilities throughout the United States. In 2008 he was awarded "Fifty Years of Dedicated Service in Aviation Safety" by the Department of Transportation, Federal Aviation Administration.

He has over 23,000 hours of flying time as a flight instructor. He taught his son, daughter and brother-in-law to fly and, as a pilot examiner, he has tested over 5,000 applicants without accident or incident. Twenty-three of the female students are now airline pilots.

Recently when the Town of Leesburg established an ILS approach into the Leesburg Executive Airport (JYO), it named an approach fix for David in recognition of his leadership and support. The fix just happens to be right over his house. However, it is in his role as a designated examiner and pilot that he has exhibited the most support for The 99s. Every female pilot who ever took a check ride with him or a flight review was introduced to The 99s. If he could find a 99 at the airport, he would pull them over to meet the potential new member. I wish we had kept a record of the number of women of all ages that he introduced to The 99s. It would be in the hundreds for sure. Some of the

hardest working members of the Old Dominion Chapter came as a result of Dave Pearce. He wants The 99s to succeed, and he shows this by his many actions on our behalf.

Award of Inspiration

Terry Carbonell's mantra for life is "Never let fear, alone, stop you," and that certainly applies to Terry, from learning to fly at age 44 at the request of her late husband to taking on the IRS for the sake of her Section.

She says she did not take to flying immediately, and the development of wings was an evolutionary process for her that took time. But after over eight years, 2,300-plus hours, instrument, commercial, tailwheel, multi-engine and seaplane ratings, ground instructor, CFI, CFI-I certificates and lots of help from other pilots, instructors and friends, her flight feathers, she says, are becoming fully developed.

She joined The 99s in 2007, becoming a member of the newly formed Paradise Coast Chapter. She has served the Chapter as Secretary, Vice Chairman and worked on Chapter projects such as the 2010 Air Race Classic starting point, youth aviation education activities, scholarship committee and the Sunshine Derby. This is her eighth year racing in the Air Race Classic as pilot for Team Wild Mama, and she has served as director and secretary.

As Governor of the Southeast Section 99s, Terry has seen a growth in Section membership, overseen the addition of two new Chapters for the Section, with a possible third in the works. She also resurrected another Chapter and the Section's Gann Memorial Scholarship. Terry has worked tirelessly for the past three years to resolve a tax issue for the Section, which has also helped other Sections and Chapters avoid such issues.

Terry continues her love of flying by teaching aviation to kids, developing innovative aviation education programs and working with Aviation Adventures, Inc., an organization dedicated to providing aviation education to economically disadvantaged youth in underserved areas.

President's Award

Mary Wunder has been a member of The 99s and the Eastern Pennsylvania Chapter since 1981. She served as Chapter Chairman twice and was instrumental in fundraising for the Chapter's scholarship program. She takes part in the Chapter's annual Pennies-A-Pound fundraiser and organizes their Chapter's annual Poker Run for the benefit of The 99s Endowment Fund. She has also been Ways and Means Chairman at both the Chapter and Section levels.

Mary's aviation experience includes numerous pilot ratings as well as a long career with the FAA as an air traffic controller in some of the nation's busiest airspace. While working as a Philadelphia Approach Controller, Mary facilitated tower tours for fellow Ninety-Nines, school groups and other aviation organizations, as well as ensuring that the tower was included in Take Our Daughters to Work Day. She always encouraged better understanding and cooperation between controllers and pilots, as well as promoted careers in aviation for women. The FAA awarded Mary a Special Achievement Award in 1992, and she continued to work on special projects for the FAA until her retirement in 2007.

Not wanting to sit still, Mary joined the ranks of the Air Race Classic participants in 2008 and has been racing annually ever since, taking a new co-pilot every year to share the cross-country and racing experience. She is also an assistant director

Mary served on the International Board of Directors from 1997-2002, holding the offices of Director and Secretary. During that time, she and then-President Beverly Sharp made the motion that changed the Endowment Fund Resolution so that the Endowment Fund had to be at \$1,000,000 before any

proceeds could be taken. Fifteen years later, the Endowment Fund was nowhere close to \$1,000,000, and she realized it was time to finish the task. Recognizing that future growth for The Ninety-Nines requires a dependable source of income, Mary worked tirelessly to meet the Endowment Fund Trust's

million dollar goal. She could always be seen with her hand out – either looking for silent auction prizes, selling raffle tickets or trying to talk you out of your fuel money. Along with her current and past capable Trust members, Mary has closed the gap to get us to our long-awaited goal.

EDITORIAL GUIDELINES

The 99s News team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine. The 99 News will continue to accept articles in longhand or typewritten from those who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on 99 NEWS Magazine and then click on *Reporter's Online Form* directly under the links to the current issue. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and avoid headers and footers.

If mailing your article, please send the text in PC format on a CD, along with a printout. E-mailed articles will be accepted as text attachments following the guidelines mentioned above. Please try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone/fax number and e-mail address with your submission.

DEADLINES:

January-February issue: December 1

March-April issue: February 1

May-June issue: April 1

July-August issue: June 1

September-October issue: August 1

November-December issue: October 1

Photograph Submission

If you mail us photographs, please put your name on the back of every photograph you submit. It is best if you fill out a label and attach it to the back of the photograph. If you use ink be sure it is smear-proof (not ballpoint) and dries thoroughly. Furnish photographer's credits and caption information. Each caption should explain who, what, when, where and other appropriate information. Please do not use paperclips on photos.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest resolution setting. Many digital cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Manually set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings).

If you are scanning a photo, the setting should be at 300 dpi. If the photo is very small, please enlarge to 200 percent and scan at 600 dpi. We will adjust photos for color and crop for size as needed for publication. NOTE: If you are submitting more than 8 photos, send the photos on a CD or DVD.

Important—do not submit photos copied from news-papers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Do not insert your photo into a text document. If you send the photo(s) by email, be sure to send the photo as a separate attachment and rename the photo to identify it with the article.

Song of the Ninety Nines

In the air
 Everywhere
 It's the song of The Ninety-Nines
 Wings in flight
 Day and night
 With the song of The Ninety-Nines
 On the line
 Fliers fine
 Ships and spirits tuned in rhyme
 Keep that formation over the nation
 With the song of The Ninety-Nines

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$ _____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose*). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."

For additional information, contact any of the trustees of The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. All requests for information will be treated confidentially.

*Purpose: The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship Fund, the Amelia Earhart Birthplace Museum, The 99s Museum of Women Pilots or The Ninety-Nines International Headquarters.

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
