BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of women pilots more than 40 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily

educational and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

*November 2, 1929 – Organizational meeting for what would become
The Ninety-Nines, Inc.*

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for “outstanding contributions to progress in aviation and space,” and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education. In 2010 and 2011, The Ninety-Nines was awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia’s childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards Amelia Earhart Memorial Scholarships to qualified members for advanced flight training, coursework in specialized branches of aviation or for specialized research to expand knowledge about women in aviation/aerospace. In 2015, 22 AE scholarships were given to members. In

addition, 17 Fly Now awards were given to student pilot members. Funding for these scholarships include member contributions and major industry support from United Parcel Service.

In addition, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Awards of Achievement (3) recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President’s Award honors those Ninety-Nines who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart’s husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

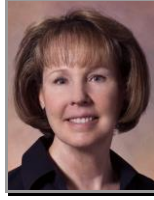

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

Past and Current AEMSF Winners attending the 2015 Conference in Munich Germany

Award of Achievement for Contributions to The Ninety-Nines

Joan Kerwin believes that belonging to an organization comes with a responsibility to serve. She has tirelessly and selflessly contributed to The 99s starting almost as soon as she joined in 1970. Those who know Joan appreciate her subtle sense of humor, her quick wit, her aviation knowledge and expertise and her allegiance to The Ninety-Nines.

For the past 44 years, Joan has worked quietly in the background, never seeking praise or accolades. She rolls up her sleeves and gets busy taking care of business, contributing her time and energy to all levels of our organization. Most importantly, she is a constant ambassador for The 99s, making a point of travelling the world to promote the organization at her own expense. In addition to attending Section meetings across the U.S., she has been to New Zealand, Australia, China, Northern Ireland, Russia and Kazakhstan (and those are just the ones we know about), all with the intent of spreading the word about The 99s and bringing the continents together.

Joan has used her flight certificates in a variety of community events from fundraising to convincing the Chicago Board of Education that through orientation flights there was value in placing the study of aviation in public schools. In recognition for her contributions to aviation, Joan was subsequently inducted into the Illinois Aviation Hall of Fame in 2002.

The list of Joan's contributions to The 99s goes on. Most people run for cover whenever someone asks for volunteers; not Joan! She eagerly steps forward and offers to help.

Joan has given so much of herself – time, money, laughs,

sweat – to The 99s. We recognize her, and say "THANK YOU."

Award of Achievement for Contributions to Aviation

Dr. Petra Illig has become the "Go To" Aviation Medical Examiner (AME) for pilots with medical issues, having given countless presentations and written numerous articles on aviation medicine to and for doctors and the pilot community on local, national and international levels. She has built a career on her dedication to pilot health and advocacy to keep pilots with stable medical conditions flying and is most deserving of this award.

Petra received her private pilot certificate a month before she graduated from medical school in 1981, subsequently becoming an FAA certified AME. She was hired by Delta Air Lines in 1998 as the company flight surgeon, working with pilots to get their medicals back and developed their in-flight passenger medical emergency response procedures, still in place today.

In 2001 she moved back to Alaska to serve the local pilot community. In 2007, the U.S. Center for Disease Control (CDC) recruited her to lead the Aviation Team in their division of Global Migration and Quarantine. In this capacity she has been a liaison with the aviation industry and international aviation regulatory agencies.

Petra is a Fellow of the Aerospace Medicine Association as well as the Civil Aviation Medical Association, and she sits on the executive board of the latter organization. She serves as the secretary of the Aviation Medical Director's Association. She has been an adjunct professor at the University of Alaska, teaching aviation physiology in their Aviation Technology Division. She is a founder of the Space Medicine Association, a company that

promotes health and safety for pilots and passengers in the upcoming commercial human spaceflight industry. These organizations promote safety in aviation and are particularly important in ensuring pilot health while satisfying regulatory requirements for aeromedical certification.

Humanitarian Award

Heather Sterzick is this year's recipient of The 99s Award of Achievement for Humanitarian Efforts. A member for only three years, Heather joined The Ninety-Nines in June 2012 when she was awarded the Wings of the Future Scholarship by the Oklahoma Chapter. Inspired by fellow Chapter members, she became an active member, volunteering at events and raising scholarship funding. If this weren't enough, she serves as director of Discover Aviation & Airshow Spectacular (a local airshow that raises funds for flight training scholarships), is a FAA Team representative, began a flight school, serves as the local 99s Chapter Chairman and has chaired the Chapter's Okie Derby, a proficiency rally. As if Heather's aviation involvement hasn't kept her busy enough, she graciously gives her time to a variety of needs in the Oklahoma City area including serving as a mentor for foster children, serving as a Chief Finance Officer for K&K World Wide, a non-profit organization that provides support to orphanages, and speaking at TED conferences.

A veteran of the U.S. Army serving as an Air Traffic Controller, she has worked as a local Air Traffic Controller at Wiley Post Airport. A graduate of Embry-Riddle and a certificated auditor, Heather is currently a corporate pilot, continually striving to fulfill her aviation dreams and the dreams of others.

George Palmer Putnam Award

Having struggled to afford flight lessons himself at the age of 20, **Jerry Hunter** now offers his support to a variety of aviation organizations in Oklahoma, including the Oklahoma Chapter of The 99s. He not only provides financial support but also promotes The 99s to the Sundance Flight Academy students based at his airport, many subsequently joining The 99s.

Since "discovering" The 99s in 2012, the year he acquired Sundance Airpark (KHSD) in Oklahoma City, he has unflinchingly offered his resources to fulfill the mission of The 99s. A self-taught electronics and software engineer, Jerry built his business, US Fleet Tracking, on a GPS tracking device that now provides live vehicle tracking in over 150 countries.

His airport has hosted the Okie Derby proficiency race, and his donations to the Wings of the Future Scholarship have ensured that the Chapter has been able to fund significant scholarships. The George Palmer Putnam Award recognizes the support of an organization or non-member individual whether a single action or a series of events.

Award of Inspiration

Alia Twal, member of the Arabian Section 99s and the current Section Governor, is this year's recipient for the inspiration she provides through her dedication to aviation and The 99s.

"My aviation dream started when I was in high school and we had a career day. I joined the aviation class, and the way the captain was standing and talking about aviation, I knew immediately I belonged to that world. I knew that I wanted to be standing in his shoes one day and giving other people a chance to know about aviation," Alia said. "The happiest day in my life was when I obtained my PPL," she adds.

After earning her commercial instrument rating, she obtained her CFI and then passed the DLR exam for Royal Jordanian Airlines.

"I thought I didn't have a chance of being a pilot due to my gender. I was surprised to know at age 16 that in Jordan we had female pilots since the 1970s. And there it all started! So, going with my own motto since I was a child, "Whatever you want to be, be a good one," I graduated from school with the second highest mark in Jordan." Alia now flies the Airbus 320 family for Royal Jordanian Airlines.

In 2010 she was contacted by the then governor of the Arabian section, Yvonne Trueman, and subsequently was introduced to The 99s. At the time there were around 18 members in the Arabian Section. Happy to join an organization for female pilots and receive a welcome from so many members from around the world, she fell in love with The Ninety Nines and became an active member. Becoming Governor in 2012, Alia promised herself to make a difference. And now the Arabian Section has 78 members from different cultures but with the same passion. Alia says that despite the growth of the Arabian section "...we have succeeded in maintaining the family atmosphere and the close relationships between our members, and that's what makes this Section very special."

President's Award

Pat McCollum began contributing to The Ninety-Nines the day after she got her pilot certificate in 1998. She is highly skilled in graphic design, trade show management, advertising and corporate communications. She immediately used those skills to benefit The 99s.

When her Section was assigned to host the 2010 Annual Conference in Hawaii, Pat created beautiful brochures and other artwork for the event. To

pay for the deposits needed for the Conference, she produced a "Governor's Tea" and invited the whole Section. She designed and printed fabulous invitations, got sponsors, commandeered a maintenance hangar and decorated it, made 50 beautiful baskets for a Silent Auction and held a contest for the best-themed tea table.

She produced a PowerPoint presentation designed to increase member retention, created PowerPoint presentations for International Fundraising Chairman Susan Liebler's fundraising seminars and, specifically, the memorable "Raise the Roof" drive that garnered over \$65,000 for repairs to the Museum and Headquarters building.

Drawing on her trade show expertise, she evaluated the effectiveness of our participation at the EAA's AirVenture in Oshkosh. Following her recommendations, we secured an indoor booth, quadrupling the number of new members recruited. Pat helped us upgrade our trade show presence by designing a new booth display that is lighter, easier to install and less costly for shipping. With all of this, the most important thing that our members have seen and embraced is the new version of our logo. Pat redesigned the interlocking 99s to be more relevant to aviation with the addition of a plane and our name underneath. It was an immediate hit and has gained acceptance throughout our organization.

Pat embodies the spirit of our volunteer organization and does so with grace and generosity.

EDITORIAL GUIDELINES

The 99s News team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine. The 99 News will continue to accept articles in longhand or typewritten from those who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on 99 NEWS Magazine and then click on *Reporter's Online Form* directly under the links to the current issue. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and avoid headers and footers.

If mailing your article, please send the text in PC format on a CD, along with a printout. E-mailed articles will be accepted as text attachments following the guidelines mentioned above. Please try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone/fax number and e-mail address with your submission.

DEADLINES:

January-February issue: December 1

March-April issue: February 1

May-June issue: April 1

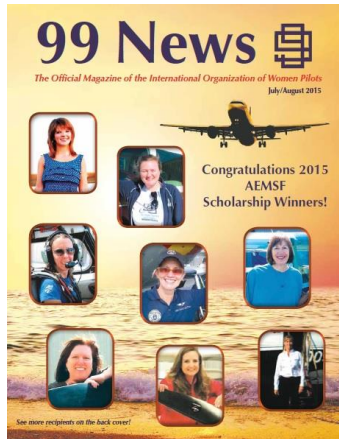

July-August issue: June 1

September-October issue: August 1

November-December issue: October 1

Photograph Submission

If you mail us photographs, please put your name on the back of every photograph you submit. It is best if you fill out a label and attach it to the back of the photograph. If you use ink be sure it is smear-proof (not ballpoint) and dries thoroughly. Furnish photographer's credits and caption information. Each caption should explain who, what, when, where and other appropriate information. Please do not use paperclips on photos.

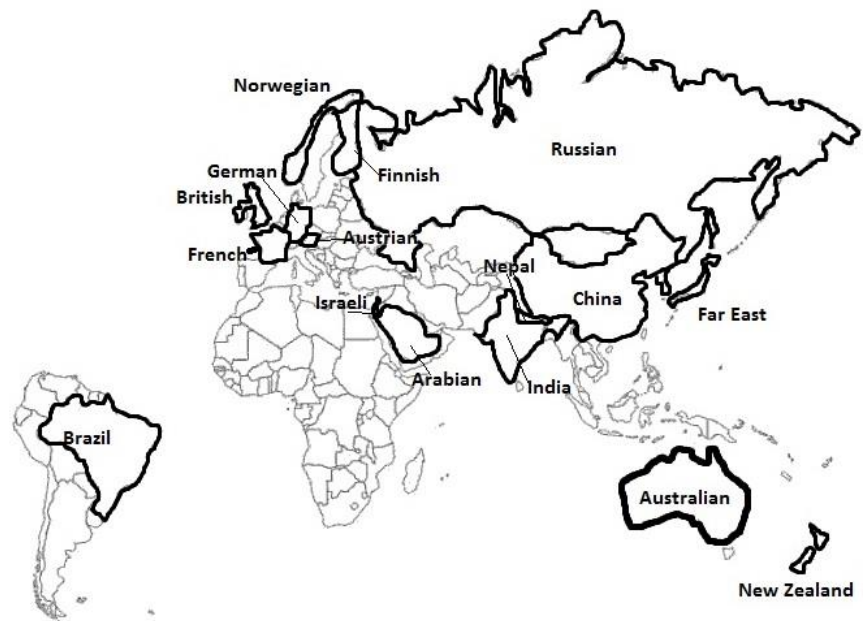

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest resolution setting. Many digital cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Manually set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings).

If you are scanning a photo, the setting should be at 300 dpi. If the photo is very small, please enlarge to 200 percent and scan at 600 dpi. We will

adjust photos for color and crop for size as needed for publication. NOTE: If you are submitting more than 8 photos, send the photos on a CD or DVD.

Important—do not submit photos copied from news-papers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Do not insert your photo into a text document. If you send the photo(s) by email, be sure to send the photo as a separate attachment and rename the photo to identify it with the article.

Song of the Ninety Nines

In the air
 Everywhere
 It's the song of The Ninety-Nines
 Wings in flight
 Day and night
 With the song of The Ninety-Nines
 On the line
 Fliers fine
 Ships and spirits tuned in rhyme
 Keep that formation over the nation
 With the song of The Ninety-Nines

Sheet music on pages 307 and 308

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$ _____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose*). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."

For additional information, contact any of the trustees of The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. All requests for information will be treated confidentially.

*Purpose: The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship Fund, the Amelia Earhart Birthplace Museum, The 99s Museum of Women Pilots or The Ninety-Nines International Headquarters.

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
