BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of women pilots in more than 40 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily educational and charitable. Currently, among a

long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

November 2, 1929 – Organizational meeting for what would become The Ninety-Nines, Inc.

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education. For five years, The Ninety-Nines was awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards Amelia Earhart Memorial Scholarships to qualified members for advanced flight training, coursework in specialized branches of aviation or for specialized research to expand knowledge about women in aviation/aerospace. In 2016, 22 AE scholarships were given to members. In addition, 17 Fly Now awards were given to

student pilot members. Funding for these scholarships include member contributions and major industry support from United Parcel Service.

In addition, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Awards of Achievement for Contributions to The Ninety-Nines recognizes a significant contribution to the mission of The 99s or any of the organization's activities.

The Ninety-Nines Awards of Achievement for Contributions to Aviation recognizes significant contributions to any facet of aviation, such as aviation/aerospace education, aviation science, aviation history, aviation commerce, aviation legislation.

The Ninety-Nines Awards of Achievement for Humanitarian Efforts recognizes significant contributions, through aviation, in a humanitarian effort.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President's Award honors those Ninety-Nines who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

HAPPY ANNIVERSARY AEMSF

2016 marked the 75th anniversary of the awarding of the first Amelia Earhart Memorial Scholarship. That first scholarship, a \$150 award toward an instrument rating, went to Patricia Gladney. Seventy-five years later the Fund has been fortunate enough to award scholarships to 704 members of the Organization from the United States, Canada, Nepal, Australia, Russia, Italy, New Zealand, Israel, England, Brazil and South Africa.

The discussion about how best to memorialize Amelia Earhart began in 1939 when Ruth Nichols was named Chairman of the Amelia Earhart Memorial Fund Committee. In the December 1939 issue of the 99 News Letter, Nichols says: "Since Amelia Earhart always championed the cause of women pilots and their equality with men, it seems most fitting that the 99ers, for whom she gave so much time and who elected her as first National President, should work for a memorial that would help bring this about. One of the best methods of assisting women to attain equal opportunity with men is to furnish them with, as far as possible, equal flight training and experience."

The Committee went through the process of developing an application with a great deal of input from the membership. When the application was deemed appropriate for initial introduction Nichols went to the National Aeronautic Association, a close partner of The Ninety-Nines. At an NAA meeting on January 10, 1940 she used an example compiled from a number of inquiries to show how women felt about the need to support the funding of the scholarship: "I am a woman pilot. I have to earn my own living. How can I train myself for a job in Aviation? I'll do anything to start, including some starving, if only I can establish myself in the profession. I want to Fly!" She went on to say that inquiries such as this were being received from all sections of the country. Inquiries to the Scholarship Trustees today are eerily similar.

Award of Achievement for Contributions to The Ninety-Nines

Jody McCarrell started flying in 1959 and has been a 99 since joining the Golden Triangle Chapter in 1972. By 1974, she was on the Board of Directors for AWTAR (All Woman Transcontinental Air Race) until she resigned in 1976 to fly the historic Bicentennial Race. She also flew in the last commemorative flight of the Powder Puff Derby.

In 1974 she became International Air Age Education Committee Chairman and not only helped develop the "Let's Go Flying" coloring book and Teachers' Guide, she talked the Smithsonian Museum in Washington, D.C. into putting the coloring book in their gift shop which was amazing publicity for The 99s. By 1978, Jody had acquired Commercial, Instrument, CEI, CFI and Multi-Engine ratings and started LJ Aviation with friend Linda Hooker, hiring several 99s as instructors.

She was appointed to the NIFA Council in 1982 and, with past President Hazel Jones, became involved in the World Precision Flight Competition (WPFC) where she became the first of 4 women appointed by the FAI (International Aeronautical Federation) in Paris as international aviation competition judges. By 1984, she was promoting USPFT (United States Precision Flying Team) competitions hosted by 99s chapters all over the country. In 1985, she was Chief Judge and Navigation Chief for the world competition in Kissimmee, Florida, the first time it was ever hosted by The 99s (actually, the first time it was run by women!). She continued working with NIFA and WPFC and in 1993, she approached The 99s International Board of Directors (IBOD) about hosting another world event in

Texas. Involving over four hundred 99s, the event was held in Fort Worth, Texas in 1996. It is not possible to describe how much work this event took and how much pride was generated for The Ninety-Nines, both in the organization and around the world. In 1998, Jody was elected to The 99s IBOD as Treasurer and went on to become International President.

In 2003, she led a contingent of 99s to the Bicentennial of Flight in Kitty Hawk. She is still attending IBOD meetings and serving on various committees, principally the Finance and Building Committees.

It is impossible to paint a picture of her total dedication to The 99s, but we, her chapter members, in submitting this nomination, have tried our best.

As Jody has said many times, "I have been privileged to be part of this amazing organization and I tell everyone I meet about it and also say we have a FAMILY and that's what it is. It has been one heck of a ride."

It's time for us to recognize her – and say "THANK YOU, JODY for all you have done for The 99s."

Award of Achievement for Contributions to Aviation

Rita Eaves is a true pioneer of aviation; she has had a passion for aviation throughout her life. In 1931, her surrogate grandfather took her and her younger sister to the dedication of Will Rogers Airport, and at the young age of nine, it was there that she saw an airshow that would inspire her for a lifetime. The airshow had one particular plane that captivated her, and as the plane landed, she said "it wasn't just any pilot, it was a woman." At that moment, young Rita said to herself, "if she can do that, I can do it." Rita never wavered in her passion to become a pilot, going through several flight instructors, even with the insistence of a flight

instructor who bluntly told her that "women don't fly." On December 24, 1951 her dream to become a pilot came true. The inspirational woman pilot that she had seen as a young girl later became her mentor, who was The Ninety-Nines own Dorothy K. Presler Morgan, the second female to become a pilot in Oklahoma, and who appeared in many air programs with Wiley Post and Amelia Earhart. Just after being married, Rita convinced her husband, Leonard, they should both learn to fly, and shortly thereafter they purchased their first airplane, an Aeronca Chief. Later Leonard and Rita built their own airplane, a Nesmith Cougar 1 experimental airplane, that won third place at the EAA competition in 1963. Rita named this plane "Chigger" and this innovative airplane was featured along with Rita and Leonard on the cover of EAA Sport Aviation in February 1963. Rita joined The Ninety-Nines in 1952, serving the Oklahoma Chapter in every facet over the years, holding all chapter offices (several times), and was also the Powder Puff Derby stop chairman twice. She is still an active lifetime member of the Oklahoma Chapter at the age of 95, inspiring and encouraging other women to become aviators. She has been an avid supporter and contributor of The Oklahoma Chapter's annual event, the Okie Derby Proficiency Air Rally, which provides scholarships to Oklahoma women pursuing their dream to fly. Rita has participated in numerous positions for the annual event, as well as donating her hangar for many years for the Okie Derby pre-race breakfasts.

Rita and Leonard became charter members of EAA in 1956. They served as volunteers for over 45 years at the International EAA Convention, flying a home-built to all except four years. Rita started the EAA women's activities

program in 1967, still a feature to this day. For ten years Rita was the official photographer for women's activities and chronicled all photos with names in yearly albums. With the Oklahoma EAA Chapter, Leonard and Rita were very involved with implementing the Young Eagles program to introduce youngsters to the thrill of aviation. Rita and Leonard are the only EAA members to be awarded the EAA President's Award twice (1973 and 1998), in recognition of outstanding and dedicated service to sport aviation and the Experimental Aircraft Association. In December 2005, Rita was honored by the Oklahoma EAA Chapter 24 with a Lifetime Achievement Award, presented as a member who has impacted aviation through her personal commitment and contributions to EAA. On June 20, 2009, Rita Eaves was inducted into the International Forest of Friendship, in Alchison, Kansas. In her own words, Rita said of her life. "I think Leonard and I probably had one of the most exciting lives in aviation. It has been a very rewarding, fun life."

It is with great honor to recognize Rita Eaves for the Award of Achievement for Contributions to Aviation because of her numerous sterling contributions to aviation and humanity.

Humanitarian Award

Wilma Melville received her pilots license in 1970 and flew for hundreds of hours in a VariEze she and her husband (a non-pilot) built. She was the first female to solo and fly a VariEze. After moving to Ojai, CA, this 61-year-old retired teacher had time on her hands to pursue a yearning to have a highly trained dog for search and rescue. She found a trainer in Gilroy, CA and they set off to train herself and Murphy, her black lab. A few years later, after she and Murphy received their FEMA certification

for Search and Rescue they were attached to the Los Angeles County Urban task force.

She never imagined that on April 19, 1995 she and Murphy would be deployed to the Oklahoma City bombing site to search for people buried alive in the rubble. The experience was horrifying and they did their best with the resources they had. One thing that stuck in Wilma's mind was the fact there weren't enough highly trained dog teams. In 1995, there were only 15 Advanced Certified disaster search dog/handler teams in the entire U.S. Now there are over 250.

Once standing on the edge of the realization that she could take a giant-sized contribution, Wilma and her trainer had the idea of rescuing shelter dogs to use for search dogs. They defined characteristics, which included high energy dogs that people do not usually want as pets, but it is that energy and drive that make them excellent search dogs. They also decided that firefighters would make the best handlers, as they are already highly trained first responders. With donations and grants this could be done at no cost to their departments, budgets or taxpayers.

Wilma never looked back. Her bold thinking was that since she had, as a Physical Education teacher, trained many to do a variety of physical skills, surely she could write a curriculum and train firefighters to become Canine Search Specialists. With a couple of smaller deployments behind her and the Oklahoma City bombings current in her memory, she moved into the unknown world of creating a non-profit, non-governmental National Disaster Search Dog Foundation. Over the years, watching the foundation grow to over 75 active handlers and the group has trained, overall, approximately

145 teams of dog and handlers throughout the US and Mexico, to be ready for deployment at any given time. These teams have been deployed to Katrina, the World Trade Center in 2001, Haiti, hurricanes, floods, tsunami in Japan, Nepal and many disasters in between. Always with one goal in mind, saving lives.

Currently, Wilma is overseeing her dream come true, the building of the NDSDF National Training Center in Santa Paula, CA. Teams from all over the world will be able to train with real life scenarios. These include a train wreck, a freeway collapse, building disasters, and airplane crashed into the side of a mountain. A grand opening is scheduled for September 24, 2016.

At 82 years young, Wilma lives in a hangar with her two Doxies and beautiful RV 7 at Santa Paula Airport. She still flies almost every day, often to far away places to look at dogs in shelters to see if they might become the next Rescued to be Rescuer.

For devoting the past 20 years of her life to build the National Disaster Search Dog Foundation, we believe Wilma is the true meaning of a world humanitarian.

Award of Merit

Harry Weatherford, frequently referred to as Mr. Aviation of Oklahoma, or Harry, contributes to many aviation projects in Oklahoma. Harry remains on call to assist individuals with their aviation issues or projects and continues to encourage individuals to get more involved in local projects. The Oklahoma Chapter has presented three "Pinch Hitters" courses at local Flight Safety Seminars. Harry initiated the original "Pinch Hitters" course for The 99s by providing all the needed material to conduct the course, space,

logistical support, publicity, including refreshments and lunch. When Harry plans aviation events, the Oklahoma Chapter receives an invitation to participate. The annual Okie Derby, a proficiency air rally, sponsored by The 99s with the proceeds going for Wings for the Future Aviation Scholarship, is greatly supported by Harry in various ways. He flies the Okie Derby; he provides weather briefings for the participants; he obtains approval from the FAA to include the Okie Derby in the Wings Program and he generously contributes. Harry is a special friend to aviation. Harry owns and operates "Precision Flight," a Flight Safety & Simulation school (one of the few freestanding simulation businesses in the state.) With his decades of Air Traffic Control experience in places like Washington National Airport, Norfolk, Virginia TRACON and the Tulsa TRACON as well as teaching at the FAA Academy, Harry brings a world of practical aviation knowledge to the Safety Seminars. He often makes the simulators available to many on a complimentary basis. He supports the OU Flight Team, Civil Air Patrol, Oklahoma Pilots Association and the EAA. Harry says, "In the decade that I have been facilitating safety seminars not one person who regularly attends my safety seminars has had a pilot caused accident." Harry received the Governor's Commendation from the Governor of Oklahoma, in recognition of his extraordinary and selfless volunteer service to the Oklahoma FAA Safety Team Program (FAST Team) in 2014. It is our pleasure to recognize Mr. Aviation, Harry Weatherford, for the Award of Merit based on his contributions to aviation.

Award of Inspiration

Kathy Fox selected Air Traffic Control as a career in 1974,

working at Transport Canada control towers across Canada, as well as the Montreal Area Control Centre. She served as Tower Supervisor in Dorval and as Manager of the St. Hubert Control Tower.

From 1982 until 1986 she was in charge of ATC training at the CEGEP St. Jean-sur-Richelieu, a cooperative training program coordinated by Transport Canada and the Quebec Ministry of Education.

Kathy left operational controlling in 1992 to accept a developmental assignment with Air Traffic Services Headquarters in Ottawa, assuming progressively senior positions. She transferred to NAV CANADA in 1996 and became Director, Safety & Quality in 1997, then Director, Air Traffic Services in 1999. In 2000, she was appointed Assistant Vice-President, Air Traffic Services. She became Vice-President, Operations on April 1, 2003.

As Vice President, Operations, Kathy was responsible for providing executive leadership and direction throughout NAV CANADA's Operations group. Her responsibilities included operations at all seven Area Control Centres, 42 Control Towers, 60 Flight Service Stations, and 7 Flight Information Centres across Canada, as well as Operational Training, Service Design and Safety Evaluations and Investigations. She retired from NAV CANADA in June 2007.

In July 2007, Kathy was appointed as a Board Member of the Transportation Safety Board of Canada, an independent government agency responsible to investigate air, rail, marine and pipeline accidents in the interest of advancing transportation safety.

Kathy received a Bachelor of Science degree and a Master's degree in Business

Administration from McGill University. She also obtained a Master of Science in Human Factors and System Safety from Lund University in Sweden.

She has been extensively involved in other aviation activities for over 40 years, including sport parachuting and commercial aviation. From 1972 until 1978, she was the President of the Canadian Sport Parachuting Association, the first female and youngest person elected to this position. She led two Canadian Parachute teams in international competitions in France and China. From 1982 until 1992, she co-owned a flight school and air charter operation near Montreal. A three-time member of the Canadian Precision Flying Team, she represented Canada at the world championships in 1996, 1999 and 2000. She holds an Airline Transport Pilot's license, has flown over 5000 hours, served as a Pilot examiner for over 25 years (until 2014) and still flies part time as an Instructor. She has been a member of The Ninety-Nines for over 30 years, held offices in both Montreal and Eastern Ontario Chapters and served as Governor of the East Canada Section from 2011-2014.

Kathy was a recipient of the Federation Aeronautique Internationale (FAI) Paul Tissandier Diploma and the Queen Elizabeth II Anniversary Medal for her contributions to sport parachuting in Canada. She received the Transport Canada Aviation Safety Award in 1999. In November 2004, she was inducted into the Quebec Air and Space Hall of Fame. Kathy received the Elsie MacGill Northern Lights Award in 2010 and was the first female to receive the David Charles Abramson Flight Instructor Safety Award in 2011. Kathy will be inducted into Canada's Aviation Hall of Fame on June 9, 2016.

President's Award

Cecile Hatfield has been a proud member of The Ninety-Nines since 1965. She has served as General Counsel to The Ninety-Nines, Inc., its International Board of Directors, Sections, Chapters and Trusts for over 20 years. For many years she flew the All Women's Intercontinental Air Races from the United States to Mexico, Canada, and Central America, as well as the Powder Puff Derby.

Cecile Hatfield has long had a passion for aviation, obtaining her pilot's certificate in 1964 and her instructor's certificate shortly thereafter. She received her law degree in 1975 from the University of Miami after graduating with high honors from the University of Florida, where she was elected to the Hall of Fame.

In her early career she helped pioneer the path for women in aviation. She was the first woman to serve as Associate General Counsel for Piper Aircraft Corporation where she defended Piper in court against product-liability claims. Previously, she worked for the United States Department of Justice for nine years as an aviation trial lawyer trying many complex cases in Federal Courts all over the U.S.

Since 1991, Cecile has had her own aviation law practice in Miami, Florida. In 2008, Cecile was nominated to "Who's Who Legal: Florida, 2008" as one of Florida's leading practitioners in the field of aviation law.

She is also the recipient of the 2015 International Aviation Womens Association (IAWA) "Aviation Industry Woman of Excellence Award." She is currently the Past President and Contributing Editor for the Lawyer Pilots Bar Association and has been the Program Chair of the Annual Embry Riddle Aviation Law and Insurance Symposium for many years.

Her greatest achievement thus far is the incredible honor of being the recipient of the International Ninety-Nines President's Award.

HAPPY ANNIVERSARY AEMSF

Continued from page 9

Today, 75 years later the scholarship has grown from the initial \$2000 to a robust \$5,104,762.65 on December 31, 2015. Contributions to the Fund have come largely from our membership and that's one of the things that makes it wholly unique to the Organization.

There are 27 Perpetual Scholarships set up to honor or memorialize members of the Organization. Another unique quality is that no specific scholarship is offered, but members are able to apply for the ratings and certifications that are necessary to their career advancement at the time.

The Fund has awarded 102 Instrument Ratings, 73 Commercial certifications, 203 Certificated Flight Instructor, 110 Multi-Engine, 43 Type and 63 ATP ratings.

There have also been awards from the Maule family to obtain a tailwheel endorsement, the Vicki Cruse Memorial Scholarship in emergency maneuvers, various specialty training courses including mountain flying, Agricultural Pilot Training, aviation fire-fighting certification, and helicopter training courses. Forty-eight Academic training awards have been made for aviation related Bachelor's Degrees, Master's Degrees and Doctoral studies. We have also been able to make 141 awards to student pilot members of the Organization to help them obtain their Private Pilot License. The combined value of all these flight training, research and academic awards exceeds \$10,828,000.

Need one from a few months ago? It's there, too.

The Online Directory is also there. It's updated regularly and reflects the latest information available about our members. Through the various search criteria, you can look up a member by name, email address, Chapter office, etc. Or you can view all the members in your Chapter or Section. All the searches can be printed out and/or downloaded to your computer for use. If you do not wish to have your contact information online, you must supply Headquarters with written opt-out instructions.

In a rush and just remembered you need to renew? Online renewal is available.

Register for the Members Area

To sign-up, go to the *Members Area* under *Join Us* and once there provide the email address you have on record at Headquarters. A password will be sent to you. Please note—the email address that you enter **MUST** match what is on file at Headquarters for the request to go through. If it doesn't match, you will not be able to register. If you have trouble registering, send an email to webmaster@ninety-nines.org and help will be forthcoming.

EDITORIAL GUIDELINES

The 99s News team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine. The 99 News will continue to accept articles in longhand or typewritten from those who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on **99 NEWS Magazine** and then click on **Reporter's Online Form** directly under the links to the current issue. Fill out the information you wish to submit and click **send it**. It's as easy as that!

Or, submit single-spaced text in Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and avoid headers and footers.

If mailing your article, please send the text in PC format on a CD, along with a printout. E-mailed articles will be accepted as text attachments following the guidelines mentioned above. Please try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone/fax number and e-mail address with your submission.

Deadlines:

January-February issue: December 1

March-April issue: February 1

May-June issue: April 1

July-August issue: June 1

September-October issue: August 1

November-December issue: October 1

Photograph Submission

If you mail us photographs, please put your name on the back of every photograph you submit. It is best if you fill out a label and attach it to the back of the photograph. If you use ink be sure it is smear-proof (not ballpoint) and dries thoroughly. Furnish photographer's credits and caption information. Each caption should explain who, what, when, where and other appropriate information. Please do not use paperclips on photos.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest resolution setting. Many digital cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Manually set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings).

If you are scanning a photo, the setting should be at 300 dpi. If the photo is very small, please enlarge to 200 percent

and scan at 600 dpi. We will adjust photos for color and crop for size as needed for publication. NOTE: If you are submitting more than 8 photos, send the photos on a CD or DVD.

Important--do not submit photos copied from newspapers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Do not insert your photo into a text document. If you send the photo(s) by email, be sure to send the photo as a separate attachment and rename the photo to identify it with the article.

"99" EARHART MEMORIAL ADVANCED FLIGHT TRAINING SCHOLARSHIP. "Since Amelia Earhart always championed the cause of women pilots and their equality with men, it seems most fitting that the 99'sers, for whom she gave so much time and who elected her as first National President, should work for a memorial that would help bring this about. One of the best methods of assisting women to attain equal opportunity with men is to furnish them with, as far as possible, equal flight training and experience. At the present time, the most important quality for a pilot to attain, along with her fundamental flying technique, is the navigational knowledge required under other than "contact weather" conditions. Hence for the next few years this Scholarship will focus the attention of women pilots, as well as the public, on Instrument Rating. Only active members of the 99's, who have a minimum of 200 certified solo hours are eligible for the Scholarship. Secondly, the members who apply must show proof of having earned not less than \$500 nor more than \$2,400 annually for the past two years. Finally, the applicant must agree to maintain her rating for at least three years, showing reasonable proof that she will have the money to do so. At the Annual National 99 Dinner, a name will be drawn by lot from those applicants who have been approved by the 99 Earhart Memorial Committee as having qualified.

The Scholarship is planned to provide approximately \$160 to the winning applicant. This sum is reasonably expected to be the accumulated conservative interest for one year on a \$4,000 fund, or for two years on a \$2,000 fund, to be raised by the "99's" and invested by the "99" Earhart Memorial Committee. Such an amount is sufficient to complete a member's primary Link instruction, and to take her well along on her under-hood flight check training." - R. N.

THE 1948 AMELIA EARHART MEMORIAL SCHOLARSHIP WINNER

As announced at the Annual Meeting in Kansas City, Jean Hixson of Akron, Ohio was chosen by the judges to receive the 1948 Amelia Earhart Scholarship Award of \$200.00.

The men who selected Jean from among the various applicants were:

Colonel Cass S. Hough, Chairman of the Michigan Aeronautics Commission, President of the Daisy Manufacturing Company of Plymouth, Michigan, pilot and airplane owner for many years, Colonel Hough was commanding officer of the Combat Research Section of the 8th Air Force in England during World War II.

Colonel C. V. Burnett, Manager of Detroit City Airport, second busiest airport in the country, Marine Corps pilot in both World Wars, Operations officer at Henderson Field, Guadalcanal, Manager of the Curtiss-Wright School of Aviation at Grosse Ile, Michigan until it closed in 1932.

Mr. Mac J. Brian, Managing Director of the Windsor Flying Club, which is a member organization of the Royal Flying Clubs of Canada. Mr. Brian is a man with years of experience in training both military and civilian pilots for the Canadian Government.

Jean is the first of the Award winners who will not be using the Scholarship money for further flight training. She has all the ratings, single, multi-engine, instructor's, control tower operator, etc. already. With all this wealth of experience, Jean has come to the conclusion that she can do more for the advancement of aviation by fitting herself to participate in the Air Age Education Program. So she is giving up her commercial instructing, and has enrolled as a student at Akron University in order to complete her requirements for a degree in Education preparatory to teaching aeronautics in a high school or college.

99 EARHART MEMORIAL ADVANCED FLIGHT TRAINING SCHOLARSHIP. Many of the Sections and Chapters have reported what they are planning as a means of raising money for the Scholarship Fund, but we have not heard from every Section and Chapter yet. Come on, you Sections and Chapters--we want to hear from everyone just what you plan to do. There are so many ways of raising money--giving dances, dinners, card parties, air meets, sales, etc., and we are interested in your ideas. We'll pull for you if we know what you are going to do!

 AEMSF Scholarship winners.*

AMELIA EARHART MEMORIAL FUND. So far only three letters with suggestions for the awarding of the AMELIA EARHART SCHOLARSHIP have been received. These three girls, though widely separated, stragpas it may seem, have sent in ideas along similar lines. None of them, however, have thus far indicated whether or not they were competing for the scholarship. This shows a keen interest on their part, especially if they have no direct personal interest in the award itself.

Above: From the January 1941 Issue of the Ninety Nine Newsletter

**CERTIFICATE OF INCORPORATION
OF THE NINETY-NINES, INC.**

The Certificate of Incorporation of The Ninety-Nines, Inc., shall hereinafter read as follows:

Song of the Ninety Nines

In the air
 Everywhere
 It's the song of The Ninety-Nines
 Wings in flight
 Day and night
 With the song of The Ninety-Nines
 On the line
 Fliers fine
 Ships and spirits tuned in rhyme
 Keep that formation over the nation
 With the song of The Ninety-Nines

Sheet music on pages 307 and 308

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$ _____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose*). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."

For additional information, contact any of the trustees of The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. All requests for information will be treated confidentially.

*Purpose: The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship Fund, the Amelia Earhart Birthplace Museum, The 99s Museum of Women Pilots or The Ninety-Nines International Headquarters.

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
