BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of women pilots in more than 40 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily

educational and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

November 2, 1929 – Organizational meeting for what would become The Ninety-Nines, Inc.

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education.

In 2010 and 2011, The Ninety-Nines were awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community. The organization was honored again in 2014 when it was inducted into the San Diego Air and Space Museum.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today, it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards two different types of flight training awards through the Amelia Earhart Memorial Scholarship Fund which was established in 1941. The AEMSF Flight Training Scholarships go to qualified members worldwide for advanced flight training, Academic or Technical Scholarships for coursework in specialized branches of aviation or the Amelia Earhart Research Scholar Grant for specialized research to expand knowledge about women in aviation and aerospace.

In 2018 AEMSF flight training awards went to 20 members worth over \$142,000. In the Fall of 2017 and the Spring of 2018 Fly Now Awards were made to 37 student pilot members of the organization. Those awards, which help them obtain their initial pilot certification totaled \$157,000.

Through the years funding for these scholarships have included member contributions, Perpetual Scholarships in honor of or in memory of members and major industry support from businesses such as United Parcel Service, United Airlines and American Flyers. In addition to the Amelia Earhart Memorial Scholarship Fund scholarships, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Awards of Achievement (3) recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President's Award honors those Ninety-Nines who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

Reverend Robert S. Layne, Aviation Leaders Banquet, August 14, 1971

By Laura Ohrenberg, Headquarters Manager

Nearly thirteen years ago, I responded to an employment ad for a part-time accountant. When the temporary agency called to set up my interview, they told me that the interview would be at The Ninety-Nines. My response was, "The what?" I had never heard of The Ninety-Nines. Fortunately, I was hired for the position. I called my ex-husband, who is a private pilot, and told him that I went to work for an international organization of women pilots. He said "oh, The Ninety-Nines?" and I shockingly said yes, you know who they are? He said nearly everyone in aviation knew The Ninety-Nines. I wasn't an aviation enthusiast so of course I didn't know The 99s. I didn't even, honestly, like flying after two very turbulent flights from Oklahoma City to Dallas and back. However, I was thrilled to have what I thought was going to be a good job. Little did I know that it was going to be so much more than "just a job". As I visited with members and met members at Board meetings, I fell in love. I fell in love with the history of The Ninety-Nines. I fell in love with the membership. It was so much more than just a job, I found my extended family and if people ask me "What are The Ninety-Nines?", they have to just walk away because I won't stop talking about the organization.

As The Ninety-Nines approach their 90th anniversary, I considered "What do The Ninety-Nines mean to me?". To me, The Ninety-Nines is a family of women, extended near and far, that share one common passion, to soar through the skies. Some quietly glide, float in balloons, hover in helicopters while others speed toward their destinations in high powered jet engine aircraft. Some leave the bounds of earth completely and view earth from space. The Ninety-Nines started as a dream of pioneering aviatrixes and has blossomed into this amazing group of women, who after nearly 13 years, still manage to "Wow" me with their amazing abilities.

When I considered this question to myself, then I thought the membership would have input as well, so I put out a call out to the members and asked "What do The Ninety-Nines mean to you?" Some of those quotes are located throughout this directory on various pages as space permits. To all members who submitted quotes, Thank you! I wish I could have used them all. It is wonderful to see what The Ninety-Nines means to so many of our members.

Kathy Walton, Reno Area Chapter

"According to Headquarters today marks my 50th anniversary as a 99. The story really starts in June of 1962 when Lindy Boyes, then of Bay Cities chapter asked my mother and me to help with the Powder Puff Derby. Despite having been around flying and flying with my father, I didn't care if I learned to fly. That ended after helping with the race start in Oakland. Over the years I finished college and began teaching. Sold my bigger Chevy Impala for a VW and saved enough money to start lessons at Reid Hill View in San Jose (sans tower) on August 1, 1967. I got my ticket on August 7, 1968. In the meantime I had helped with air markings and attended many Bay Cities meetings and functions. I was supposed to attend three meetings then and then skip a meeting so they might vote me into the Chapter/99s. I went into a storage closet where Ruth Reukert kept the history of the SW Section while they voted that first night. I, after all, had been their "mascol" for six years. I am thankful for the MANY fine women and men I have met from around the world because I am a 99. The friendships I have made are hard to explain to others. I am especially thankful to Lindy Boyes, my flying (racing) partners of over 40 years, Joyce Wells and Thelma Cull for their lasting friendships. A reason to join the 99s? The wonderful people you meet."

Jeannine Korte, Old Dominion Chapter:

"The 90th celebration of The Ninety-Nines represents a courageous mission in the evolution of Aerospace and as we develop together The 99s enhance their abilities, increase in strength, and expand our knowledge. I believe the love of flight is preserved in one's Spirit. The 99s gave me lift and thrust to alleviate the drag and weight when I was grounded."

Let's Fly Now!

A Focus on Women of Flying Age

Let's Fly Now! is a Ninety-Nines' signature introductory flight program developed in 2018. *Let's Fly Now!* targets females of flying age (although men and children may be flown, too). Airplanes, fuel, and time are donated by Ninety-Nines, Friends of The Ninety-Nines, and other properly certified pilots for the introductory flights.

Let's Fly Now! is an opportunity for 99s to share their passion for aviation and inspire a new generation to:

EXPLORE the wonders of aviation,
DISCOVER the magic of flight, and
IMAGINE the possibilities for their future.

The Ninety-Nines organization is still one of the best kept secrets in aviation. *Let's Fly Now!* will enhance the name of The Ninety-Nines and give our organization credit for the many contributions our members make to the field of aviation. Reports predict that more than 600,000 new pilots will be needed in the next two decades. With this program, The 99s can make a contribution to positively impact those statistics immediately.

King Schools and *Dare to Fly* are partners who support *Let's Fly Now!* King Schools will offer some online programs for free, as well as significant discounts to passengers who begin the online Private Pilot course. King Schools will also provide a 20% discount to all 99s for any of their online courses. *Dare to Fly* will give a "leg up" to some passengers who begin their journey into aviation with a gift of a *Dare to Fly* flight bag filled with books and equipment for the Private Pilot.

Let's help our next generation earn their wings and fill their lives with adventures. Contact: letsflynow@ninety-nines.org to see how you can participate.

Marie-Louise Skafte, Florida Goldcoast Chapter:

"The Ninety-Nines provides a sense of camaraderie, inspiration and support (quite often silent) that isn't coated with a veneer of competitiveness. It's wonderful to celebrate our successes and share our challenges in such an open and kind environment regardless of our depth of aviation experience."

Risa Altman, Eastern Pennsylvania Chapter:

"I feel honored and privileged to belong to an organization with such a diverse group of amazing women from all walks of life. I became a 99 in 2011 shortly after starting my flight lessons. I could not have earned my pilot certificate had it not been for the support of the women in my Eastern PA Chapter and their ongoing passion for aviation."

 "The 99s have offered me a family of support and sound advice. I'm extremely thankful for the women who have helped me deal with gender discrimination in aviation."

Dr. Pam Nichols, Utah Chapter:
 "To me, The 99s means freedom. As a teenager I marveled when my mom would take off with her pilot friends to paint runways. It seemed she had the freedom to go where she wanted, when she wanted. She loved being with her 99s group, but now I know that there was so much more than that. Certainly, it is the same freedom to fly away, but it is the freedom to *just be a woman pilot among other women pilots*. Being a 99 is a *knowing* that the women in my 99s group just understand the addiction to flying. My daughter Elaine (22) is a pilot, a 99 and thankfully she has found the same freedom, and much earlier than I did!"

Sheena Guide, Spaceport Chapter:
 "The 99s mean being part of a sisterhood of supportive and ambitious women pushing each other to the best we can be every day. It means learning from those have been in our shoes before and being able to share what we've learned and experienced with the next generation of female flyers. It's having a constant support system to turn to throughout the various phases of our careers and just a great community women to share aviation experiences with."

Morgan Butera, Northwoods Chapter:
 "The Ninety-Nines to me, means family. My Grandma, Susan Philpot, has been a member of The 99s all of my life and she has set such an example for me, I have always dreamed of becoming a Ninety-Nine myself! Now that I am living my dream, my family has grown and I couldn't be happier to be a part of such a strong female organization!"

Award of Achievement for Contributions to Aviation

Col. Kathryn Hughes, M.D. is the recipient of The Award of Achievement for Contributions to Aviation. This amazing woman served in the US Air Force as a doctor and a pilot. Married with two sons, Col. Hughes is the only female pilot in the Department of Defense and USAF history to accumulate 3,400 military flying hours in over 25 aircraft that included fighters, bombers, helicopters and cargo aircraft.

She completed research on the project "Anthropometrics of Female Fighter Pilots: Impact on Cockpit and Flight Equipment Design" which had a huge impact on flight safety for female pilots. She has been a mentor for US Air Force Academy applicants and current cadets, and Flight Surgeons and Residents in Aerospace Medicine.

Col. Hughes was the Deputy Director of the USAF Pilot-Physician Program mentoring the current cadre of Pilot Physicians and selecting future applicants to the career field. She was also the aeromedical representative on the F-35 Physiologic Event Team, collaborating with government and industry representatives on investigation of physiologic incidents.

Col. Hughes was recognized as an expert in G-Induced Loss of Consciousness (GLOC) and Accelerated Protection and has aggressively led the way for incorporating improved G-protection to mitigate aircraft mishaps and loss of life. Due to her efforts, full coverage G-Suits were implemented in F-15C and F-16 aircraft, resulting in a drastic decrease in GLOC rates and saving lives.

Retired from the Air Force this past year, Col. Hughes is employed by a British company researching and designing safe egress from fast, high flying jet aircraft. Her medical understanding of the human body combined with a thorough knowledge of aircraft limitations from her Air Force career, resulted in both medicine and aircraft research breakthroughs.

After years of military deployments around the world, she has retired in her beloved Idaho and transferred her membership back to the Idaho 99s!

Award of Achievement for Humanitarian Efforts

This year's recipient of the Award of Achievement for Humanitarian Efforts is **Elaine Morrow**. Elaine exemplifies humanitarian giving in her everyday life. Throughout her life she has worked tirelessly for the advancement of the health and well-being of people in her local community, her state and beyond especially through the avenue of aviation. Elaine is a member of

The Minnesota 99s Chapter who nominated her in appreciation and recognition of her exceptional leadership, passion and energy to advance aviation that significantly improve people's lives.

Elaine actively participates in *Tree of Hope Inc.*, a non-profit organization that donates gifts to seriously ill, hospitalized children. Along with EAA Chapters, Zuhrah Flyers (Shriners) and other flying clubs, Elaine delivered toys with her plane to numerous hospitals from 1990 through 2016. In 2015, 2400 toys were delivered. Through her commitment and efforts, the number of toys delivered more than doubled to 5,000 in 2017. Thousands of hospitalized children have had their spirits lifted and hope renewed as a result of Elaine's dedication to this program.

Elaine joined other Minnesota 99s who flew blood donations for the American Red Cross on a weekly basis for several years until 1990 when more advance methods were developed for the preservation of the blood.

Elaine also first participated in a Minnesota 99s undertaking that delivered daffodils for the American Cancer Society just after she received her license. Elaine Morrow, humanitarian and truly deserving of the 2018 Award of Achievement for Humanitarian Efforts.

Award of Inspiration

In 1982, **Tammy Duckworth** was living in Singapore, where she attended the Singapore American School. She excelled academically, skipping ninth grade, and athletically, playing volleyball and medaling for the varsity track team.

After receiving her Army Reserves commission in 1992, Duckworth selected helicopter pilot as her first-choice assignment. It was one of very few combat roles available to women at the time. She finished in the top three of her flight class of 40—and those top three got to become pilots of Black Hawk helicopters.

Duckworth had been serving in Iraq and Kuwait for nearly a year when the Black Hawk she was copiloting was attacked by Iraqi insurgents on November 12, 2004. She lost both of her legs and partial use of her right arm. Following her injuries, Duckworth was promoted to major and awarded the Purple Heart. During her year's recovery time at the Walter Reed Army Medical Center, she became an activist, advocating for better medical care for wounded veterans and their families. Duckworth presented her impassioned views to Congress, testifying on two separate occasions.

While injured veterans are usually discharged, Duckworth petitioned to remain on active duty; later switching to inactive duty when she started doing political work. In June 2006, she was working intermittently as an aviation safety instructor for the Illinois National Guard while also conducting her first congressional campaign.

After losing her first Congressional race, Duckworth became the Director of the Illinois Department of Veterans' Affairs, serving from 2006 through the beginning of 2009. While running the Illinois state VA, she created a mental health hotline for suicidal veterans and instituted the nation's first mandatory screening for brain injuries for all members of the state National Guard returning from service overseas.

Soon after his inauguration, President Obama appointed Duckworth the Assistant Secretary of Public and Intergovernmental Affairs of the federal Department of Veterans Affairs, where she worked primarily on public relations and created an online communications office in hopes of using the internet to better reach young veterans. In 2012, Duckworth was elected to Congress, defeating the incumbent to take the seat in Illinois's 8th District. During her time in the House, she backed legislation to support veterans, working to pass the Clay Hunt Act, a bill aimed at reducing suicide among returning service members. The bill became law in 2015. She finally retired from the military in 2014.

She continued to chip away at her doctoral work after being elected to the House of Representatives, and after six years of effort, Duckworth graduated with her PhD in 2015.

In 2016, she was elected a U.S. senator, thereby becoming the first disabled woman and the second Asian-American woman in the Senate.

She even got her wings back. In 2010, Duckworth secured her license to fly a fixed-wing airplane. By 2014, she was flying helicopters again. Small ones, not military copters, but the return still felt triumphant. She told the Daily Herald, "When I got back in a helicopter, it felt like home."

Tammy Duckworth joined The 99s in 2003. She is a true inspiration to all Americans.

President's Award

Linda Horn began contributing to The 99s at a chapter level as soon as she became a member in 1976. She was the Treasurer and Webmaster for a couple of decades. Then within a few years Linda started using her skills and talents within her section. She has been the A/V person at the Section Business meetings for the last couple of decades. She is also the Section Webmaster and continually aids in the IT area to enable our Section to communicate better with its members. She even co-hosted a Section meeting with the Governor when the Chapter backed out at the last minute. Linda's efforts have been recognized by her section. She was awarded the South Central Section Governors Award in 2016 and 2018.

She later started contributing her many talents on the International level of our organization. She has been the E-Forum Administrator for many years and continues now as a GoogleGroups Administrator. Linda adds new and reinstating members to our GoogleGroups every month. Linda has assisted in Headquarters Database updates over the years and also assists with the continuing changes that are needed to keep our International Website updated.

And she was *the Headquarters Dispatch* Editor for many years and now edits and publishes the *International Straight & Level*.

Linda is the technical A/V guru for the International Annual Meetings and Award and Scholarship Banquets. She brings a high level of professionalism to our conference.

Due to her involvement throughout the organization, this President and many others have asked Linda for advice and guidance in current issues and new projects.

One of the best parts of Linda's contributions is that she will step up and take on a project when something needs to be done. For example, when a Section was unable to develop an International Conference Program, Linda, using her graphic artist skills, developed and produced the Program. It looked so terrific her Section asked her to produce the Program for the International Conference they hosted!

Linda embodies the best part of The 99s, giving of oneself to enable the mission of our organization. She has helped me in so many ways for many years and I am proud to have her as a friend and advisor.

EDITORIAL GUIDELINES

The *Ninety-Nines* magazine team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine.

Ninety-Nines magazine will continue to accept an occasional article in longhand or typewritten submitted by members who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on *Ninety-Nines* magazine in the "Quick Links" section on the right-hand side of the page, then click on *Reporter's Online Form* directly under the links to the current issue. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Microsoft Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and do not use headers and footers. This applies to all types of articles.

Please email articles as text attachments and try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone number and email address with your submission.

DEADLINES:

January-February issue: December 1

March-April issue: February 1

May-June issue: April 1

July-August issue: June 1

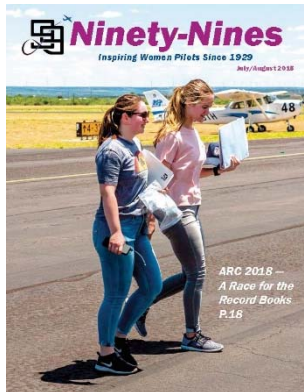

September-October issue: August 1

November-December issue: October 1

Photograph Submissions

In rare instances, we will accept mailed photographs. Please make sure they are adequately identified as belonging to you. Also provide caption information and photographer credit if applicable.

Captions should accompany all photos. Each caption should explain who, what, when, where and other appropriate information. Include photographer credit if applicable.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest setting. Many cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings). For smartphone cameras, be sure to use the "High" quality setting, and if available, shoot your photos RAW (again, check your manual for specific settings). We need the highest quality photos in case we want to enlarge them to use as a

feature photo or even cover picture.

If you are scanning a photo, the setting should be for a photo at 300 dpi. If the photo is very small, enlarge to 200 percent and scan at 600 dpi.

We will adjust photos for color and crop for size as needed for publication.

Important: Try to avoid photos copied from newspapers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Send photo(s) as separate attachments along with your article email. Rename the photo(s) first to identify it with the article.

Nelda Lee, Greater St Louis Chapter:

"I have been a member of The 99s since April 1971. Joined the Greater St. Louis Chapter after reading a full-page ad in the St. Louis Globe Democrat newspaper. At that time, a future member had to attend 3 meetings and meet approval of the chapter officers/board. That happened and I am still a member. I was and still am impressed with women aviators of all types.....and wanted to be in an organization with them. I wanted to be involved and promote the organization; therefore, became an officer at the chapter, section, and international levels. It has and continues to be awesome. Long live The 99s."

Billie Downing, Eastern New England Chapter:

"The Ninety-Nines have a wonderful part of my life. This is my fifty year anniversary and I am still enjoying immensely. every activity I can attend. I have enjoyed being a mentor and seeing all the young women become successful pilots. Thanks to everyone."

Anne Self, Lake Charles Chapter:

"I support The 99s because of their dedication to improving access of women to aviation careers."

Tammy Meredith, Placer Gold Chapter:

"As a new pilot, the encouragement & comradery I continuously receive from my fly sisters is irreplaceable. I'm truly honored to be part of such a supportive community."

Kate Scott, Los Angeles Chapter:
"The 99s provides a welcoming, nurturing and empowering environment that I could not find elsewhere in male-dominated aviation. The support from women pilots is refreshing and helped me stay inspired to continue my flight training. It's wonderful to be part of an organization with such an amazing history and to know that we are MAKING history."

Annelie Hubinett, San Fernando Valley Chapter:
"When I was stuck in my student training I met my mentor at a critical time. She introduced me to my CFII (also a 99s) and let me rent her airplane to finish up my PPL. After a long and turbulent effort, 3 scholarships, and 18 years after my first lesson, I finally achieved my dream. Were it not for the 99s..."

Barbara Fricke, Rio Grande Norte Chapter
"Being a member offers me an opportunity to meet, share experiences, and socialize with other female pilots."

Majel Baker, Minnesota Chapter

"The 99s are my aviation community. Growing up, I was told aviation was a man's world. That's funny: because most of the pilots I know are women."

Sarah Fehr, Canadian Rockies Chapter:

"I've recently joined The 99s and I am SO THRILLED to have found this amazing network of female pilots! As a private fixed wing license holder and hopeful soon-to-be commercial helicopter pilot, I have felt the difficulties of this passion/industry and felt disheartened by it. The 99s are a welcome blessing and I cannot wait to see the effect all of the amazing women here will have on my passion and career, and life! And in turn, I'm really looking forward to contributing and passing on that blessing as I grow within this community."

Sue Mead, Connecticut Chapter:

"The 99s gives me a collegial culture that is a touchstone locally, nationally and internationally. This all-female pilot organization honors the past, works in the present and is planning for the future."

Holly Latcham, Minnesota Chapter:

"Being a part of The 99's is an investment in my aviation career that I absolutely cherish. The women I've met and support I've received in just one year of membership have been incredibly helpful and inspiring. Thank you 99s!!!"

Mary Ellen Morris, Eastern Pennsylvania Chapter:

"The 99s mean to me a lifetime of friendship and mentorship, and a way to connect with smart, achievement-oriented, and welcoming women all over the United States and the world. If I'm ever in need of support or assistance, the first thing I grab is my 99s directory!"

Paula Rumbaugh, Scioto Valley Chapter:

"In the 30+ years I have been a 99, this organization has been my best source of friendships, encouragement in aviation challenges, flying companionship, aircraft ownership partners, and volunteer opportunities. I cannot imagine the past 30 years without this organization!"

Patricia Kent, Santa Barbara Chapter:

"I achieved private pilot in 1874 and have been proud to join the ranks of women pilots. No one "cropped my wings" or did any special recognition, but there is glory in the skies no one else comprehends. Unless you are soaring and experiencing the lift it is a dream. We women pilots are part of that dream!"

Betty Thomas, Golden Triangle Chapter:

"A Ninety-Nine encouraged me to learn to fly at age 50 and then I found a group of women who understood my desire to "take the skies", someone to talk to about flying, and a bunch of good friends who stood by me off the runway—my flying sisters."

Kimberley Lowe, Florida Goldcoast Chapter:

"99s is a chance to meet female pilots who live near me. It also allows me to contribute towards mentoring, scholarships and reach out to young women and bring awareness of the opportunities as a pilot, for pleasure and career.

Camaraderie, support and networking, of course fun times, learning from others, sharing and feeling you are not alone in your passion for aviation."

Allison Guenther, Chicago Area Chapter:

"To me, The 99s represents a family of unstoppable women who inspire me as well as life me up to achieve great things. They are women I can rely on to support me, guide me and offer wisdom so that one day when I am older, I can offer the same support to the next generation of women in aviation."

Ossie Abrams, Big Sky Chapter:

"99 stands for continuity and consistency—high quality resources made available to women pilots!"

Carolyn Brooks, Golden Triangle Chapter:

"The 99s came in my life in 1972 (the first time I joined) after receiving my license New Year's Eve 1971! The association with other women pilots was great- each having their own stories to tell. We were young, full of enthusiasm and had a lot of fun as well as doing good for aviation!! I have since become a life member!! Those women pilots have become life long friends!"

Song of the Ninety Nines

In the air
 Everywhere
 It's the song of The Ninety-Nines
 Wings in flight
 Day and night
 With the song of The Ninety-Nines
 On the line
 Fliers fine
 Ships and spirits tuned in rhyme
 Keep that formation over the nation
 With the song of The Ninety-Nines

Sheet music on pages 308 and 309

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$_____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose^{}). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."*

For additional information, contact any of the trustees of The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
