BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc.® is an international organization of women pilots in more than 40 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily

educational and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education.

In 2010 and 2011, The Ninety-Nines were awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community. The organization was honored again in 2014 when it was inducted into the San Diego Air and Space Museum. In 2019, the National Aeronautics Association awarded the organization the Cliff Henderson Trophy.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today, it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards two different types of flight training awards through the Amelia Earhart Memorial Scholarship Fund which was established in 1941. The AEMSF Flight Training Scholarships go to qualified members worldwide for advanced flight training, Academic or Technical Scholarships for coursework in specialized branches of aviation or the Amelia Earhart Research

Scholar Grant for specialized research to expand knowledge about women in aviation and aerospace.

Since 1941, AEMSF scholarships have been awarded to 773 members totaling over \$11,825,000 plus helped 251 student pilots with funding for their pilot licenses. 2019 scholarships were given to 59 99s and student pilot members totaling more than \$261,000.

Through the years funding for these scholarships have included member contributions, Perpetual Scholarships in honor of or in memory of members and major industry support from businesses such as United Parcel Service, United Airlines and American Flyers. In addition to the Amelia Earhart Memorial Scholarship Fund scholarships, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.®

The Ninety-Nines Awards of Achievement (3) recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.®

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President's Award honors those Ninety-Nines who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we
thank you for the courageous pioneers who first mastered those laws so that all of
us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and
survey its glory as few others can, heighten, Oh Lord, our appreciation for the
beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep
us steady when we find ourselves suddenly "on top" and our human balances
begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into
idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and
show us the way, for it is so good to be able to fly.

Reverend Robert S. Layne, Aviation Leaders Banquet, August 14, 1971

WHERE WE STARTED:

November 17, 1929 *Women and Aviation – Ninety-Nines Newsletter*:

"The weather was only so-so, but, at that, four of the twenty-six women who came together in a hangar at Curtiss Field, L.I. on November 3, 1929, to form an organization of licensed women pilots arrived by air.

...It was decided to make the organization as informal as possible, with a committee composed of pilots from different sections of the country to do the governing, instead of having a long list of officers. Representation of the committee is to be pro-rated according to the number of licensed women pilots in each section. Membership in the organization is to be limited to licensed female fliers, and the purpose of the organization is to be social as well as professional, from the standpoint of encouraging other women to take up flying both for business and for pleasure and of assisting each other in securing positions of pilots..." (Additional information can be found at <https://www.ninety-nines.org/pdf/newsmagazine/19291117000000.pdf>)

Opal Kunz was appointed to serve as President until an election could be held. Amelia Earhart was the first Elected President, elected in 1931 and serving until 1933.

Let's Fly Now!

A Focus on Women of Flying Age

Let's Fly Now! is a Ninety-Nines' signature introductory flight program developed in 2018. ***Let's Fly Now!*** targets females of flying age (although men and children may be flown, too). Airplanes, fuel, and time are donated by Ninety-Nines, Friends of The Ninety-Nines, and other properly certified pilots for the introductory flights.

Let's Fly Now! is an opportunity for 99s to share their passion for aviation and inspire a new generation to:

EXPLORE the wonders of aviation,
DISCOVER the magic of flight, and
IMAGINE the possibilities for their future.

The Ninety-Nines' organization is still one of the best kept secrets in aviation. ***Let's Fly Now!*** will enhance the name of The Ninety-Nines and give our organization credit for the many contributions our members make to the field of aviation. Reports predict that more than 600,000 new pilots will be needed in the next two decades. With this program, The 99s can make a contribution to positively impact those statistics immediately.

King Schools and *Dare to Fly* are partners who support ***Let's Fly Now!*** King Schools will offer some online programs for free, as well as significant discounts to passengers who begin the online Private Pilot course. King Schools will also provide a 20% discount to all 99s for any of their online courses. *Dare to Fly* will give a “leg up” to some passengers who begin their journey into aviation with a gift of a *Dare to Fly* flight bag filled with books and equipment for the Private Pilot.

Let's help our next generation earn their wings and fill their lives with adventures. Contact: letsflynow@ninety-nines.org to see how you can participate.

Award of Achievement for Contributions to Aviation – Gretchen Jahn

Gretchen, adviser to public and private global enterprises, earned her pilot's license in 1985. Her first introduction to The Ninety-Nines was an air race sponsored by the Colorado Chapter, sparking a passion for air racing.

As her involvement in aviation deepened, Gretchen shifted her talents for leading company startups and turnarounds from the software industry to the aviation industry. As a result, Gretchen led business transformations as CEO of Mooney Airplane Company, general manager of Alpha Aviation Ltd. (New Zealand), and COO of REMOS Aircraft (Germany). She was board chairwoman of DeltaHawk Engines and consulted at the executive and board level of numerous aviation corporations and nonprofits. In New Zealand she fostered increased aviation capacity and capability in the country through her consultation to the New Zealand government. Today, Gretchen continues to promote aviation workforce development and entrepreneurship as a board member of the Aviation Community Foundation, the CABA Foundation, and AeroInnovate. She is or has been a member or on the board of other aviation organizations. As an avid pilot and airplane owner, Gretchen holds a US commercial pilot's license with instrument and seaplane ratings and a New Zealand private pilot's license. She advises and mentors women and men in aviation and aerospace, primarily with aviation start-up companies. But Gretchen's heart and talent are shared most with the Air Race Classic (ARC) as volunteer, racer, and 14 year board member. Her passion for the ARC and cross-country handicap speed racing led her to create sustainable systems, build the ARC corporate structure, and nurture fresh leadership in the organization. She continues to contribute countless hours as assistant director and project manager to create the current ARC website, database, and applications. Gretchen's dedication to The Ninety-Nines spans 30+ years of inspirational leadership and active membership on many committees. She served as Colorado Chapter Secretary, Vice Chairman, and Chairman. Currently she serves as Governor for the South Central Section. For International, Gretchen spearheads the effort to modernize the organization's bylaws, standing rules, and procedures, a multi-year project, leveraging her extensive corporate governance experience. Her numerous contributions and generous years of service to aviation combined with her international business acumen for building organizations exemplify the art of blending work-life passions.

Award of Achievement for Humanitarian Efforts – Kelli Kuntz

The get-it-done attitude ingrained in the Cajun culture manifested in August 2017. Hurricane Harvey inundated coastal Texas with over 50 inches of rain, causing utter devastation. Kelli, a survivor of similar disasters, and a previous beneficiary of generous humanitarian aid knew she had to help. Kelli, a certified Red Cross volunteer, used social media to ask for donations including cases of water, baby supplies, cleaning supplies, clothing, and school supplies. Her repaired house soon became a collection center. When her home became overloaded and there was a need for a more central collection point, Kelli arranged for the terminal building at Louisiana Regional Airport (KREG) to be turned into a temporary collection center. She then transferred supplies from her house to the airport. Kelli was made aware of a call that went out from Lakefront Airport in New Orleans for pilots to fly supplies to airports in Texas and so she volunteered to serve as a satellite collection and launch site. The Cajun Airlift was born from this pilot-led effort. Kelli played an integral role in recruiting donations, facilitating deliveries with local ground crews. She also became a dispatcher for the Cajun Airlift, coordinating with volunteers all along the Texas Gulf Coast. Kelli even opened her home to two pilots who flew in from Missouri, not once, but twice, just to be part of the team. After the devastation wrought by hurricanes Irma, Maria, Florence, and Michael, Kelli has solicited donations and shared her experience with other 99s to help those in Florida, South Carolina, and Puerto Rico create a network of aviators willing to use their passion for flying to help our fellow men. Kelli also continued to serve as a Director and Board Member of the Cajun Airlift. The NOLA 99s and all of us, can be proud to have their sister-of-the-air, Kelli Kuntz, honored by the International Humanitarian Award.

Award of Achievement to The Ninety-Nines – Madeleine Monaco

Madeleine took her first private flight with a friend. One ride, and her future was changed. Her flight instructor was a 99 and her role model. She set her goal to become a CFI. Her training was pay as you go - she pushed and persevered. Madeleine has been a continuous member of the Chicago chapter since she joined The Ninety-Nines on December 28, 1978. She volunteered to be membership chair when the position became vacant. She was suddenly handed a box of files - and declared membership chair. She has been active in aviation both within and outside of the chapter for 40 years, as well as an active, and respected, member of the general aviation community in the greater Chicago area.

The Chicago Chapter in conjunction with the state of Illinois has provided free annual safety seminars. For many years, Madeleine has been instrumental as both an organizer and a participant of this seminar.

Over the last two years, she has chaired these events and mentored new members. She is the "go to person for answers to Who's Who and What's What. Madeleine has been North Central Secretary, AEMSF Scholarship Chair, and Membership Chair. At the international level, Madeleine has filled many key positions. In 1987 she was elected as an International AEMSF Trustee and remained in that role until resigning only a few years ago as AEMSF Permanent Trustee. In 1988, Madeleine was chosen to head The 99s International Legislation Chair and was involved in multiple teams analyzing regulatory issues related to safe and efficacy impacting General Aviation. She has also served on the International Nominating Committee, been involved in soliciting advertising for the Ninety-Nines magazine and has written articles for the Ninety-Nines publication on both training and legislative activities.

Award of Inspiration – Thelma Cull

You never wanted to sit next to Thelma in 99s meetings. One is supposed to have some professional decorum in those meetings and be respectful to who is talking. However, if you were seated next to Thelma, she would lean over and make the most witty and funny comments and one could not help laughing aloud. And then everyone in the room would look at me and Thelma sat there with this respectful, listening look on her face. This happened throughout the meeting. If you can't tell, I loved Thelma, and so did every 99 and every person that ever met her. We were so lucky to have her as part of our lives. Thelma earned her pilot's license in August 1965. She

participated in many air races, including the Powder Puff Derby, the Air Race Classic, the Pacific Air Race and the Palms to Pines. She flew as a navigator in her 1st Air Race Classic in 2009 at the age of 76 with Joyce Wells. They placed 4th out of 34 airplanes. So, she was a heck of a pilot also! Thelma joined The 99s in 1965 and was a member for 53 years. As a Sacramento Chapter member, she held many offices. In the Southwest Section she served as Vice-Governor, then Governor from 1980 to 1982. For the last 18 years, she was International Credentials Chairperson. She took part in all areas of The 99s, airmarking, aerospace education, NIFA, membership and Forest of Friendship, to name a few. The newly formed Sutter Buttes Chapter in 1998 was honored to have Thelma as a Charter Member. She served as Vice Chairman, Chairman, Scholarship Chairman and Membership Chairman. She was in constant contact with members, making them feel welcome.

Thelma never knew a stranger, and was known for her beautiful smile, her quick wit and her love for The 99s. She led a "life well lived", was a friend to all, and is sadly missed but fondly remembered!

President's Award – Cecile Hatfield

Cecile has been a proud member of The 99s since 1965. We have been most fortunate to have Cecile as our General Counsel to The 99s, its International Board of Directors, Sections, Chapters and Trusts for over 20 years. Cecile has long had a passion for aviation, obtaining her pilot's certificate in 1964 and her ground instructor's certificate shortly thereafter. She received her law degree in 1975 from the University of Miami after graduating with high honors from the University of Florida, where she was elected to the Hall of Fame. In her early career she helped pioneer the path for women in aviation. She was the first woman to serve as Associate General Counsel for Piper Aircraft Corporation. She previously worked for the United States Department of Justice in Washington DC for 9 years as an aviation trial lawyer trying complex aviation cases in Federal Courts all over the US. Cecile is the recipient of the 2015 International Aviation Women's Association "Aviation Industry Woman of Excellence Award". She is currently the Past President and Contributing Editor of the Lawyer Pilots Bar Association and has been the Program Chair of the annual Embury Riddle Aviation Law and Insurance symposium for many years. These are but a few of her many aviation legal accomplishments. However, why did I choose Cecile to be the recipient of this year's President Award? Just in this last year, Cecile has reviewed and provided critical legal advice on over 40 contracts. She has spent her time and talent providing over 60 legal

opinions on Federal Lawsuits, Legal Demand Letters, Bylaws, Indemnity Agreements, etc. Her guidance in matters of law has always been spot on and has protected The 99s from any number of legal problems. I cannot imagine the cost if The 99s had to obtain outside legal counsel for all of that. Well, I guess I can, it would be way over \$100,000 a year. For me personally, I was able to rely on Cecile's intelligence and excellent aviation legal advice to navigate a Federal lawsuit and an out of country legal demand letter. This is not the first time a 99s President chose Cecile Hatfield to be the recipient of the 99s President Award. I am very happy to be recognizing her again for her tremendous personal contribution to The 99s. Cecile embodies the best part of The 99s, giving of herself to enable the mission of our organization. She has helped me in so many ways for the last several years and I am proud to have her as a friend and advisor. It is my very great pleasure to present the 2019 President's award to Cecile Hatfield. Cecile would love to be here, however was unable to attend. Accepting the award for her is Myra Bugbee.

George Palmer Putnam Award – David Oreck

David began flight training in the Civilian Pilot Training Program prior to World War II. He experienced the War as a B-29 pilot, navigator, and bombardier. He returned to civilian life and made a name for himself as the General Sales Manager for RCA in New York where he introduced America to many innovative appliances for the home. I'm sure you have heard of the company. David founded the Oreck Corporation and made it into a household name, with his durable OreckXL vacuum cleaner. He has been recognized as a master's in marketing. David explained that he had a good idea, a lot of energy, and no money. After 20 years of hard work, his belief, and I quote, "Never, never, never give up," paid off. David has also been described as the ultimate motivator. He is fond of saying, "Bad luck, is sometimes, a person's good luck in disguise." When a Student Pilot member of New Orleans Chapter found herself unemployed, David met with her on a weekly basis, mentoring her through her decision to start her own business.

Before becoming a 49½, David was a long-time supporter of The 99s International Conferences by sponsoring hospitality rooms. He also served as a judge for the 2014 Amelia Earhart Memorial Scholarship Fund. For many years, New Orleans Chapter met at the Oreck hangars at Lakefront Airport. In 2005, a major hurricane caused considerable damage that forced a change in location. David opened, and continues to open, his home to monthly Chapter meetings. Frequently, the meetings begin with one of his interesting jokes but more often, with insightful comments or words of encouragement.

The first chapter meeting held two months after the hurricane, David reflected on not only how lives had been changed, but how fortunate The 99s were to be part of a unique organization that bonds us through a common passion and creates long term friendships to cherish. And you know what? He was right! David was extremely instrumental in encouraging the NOLA 99s to work with the National World War II Museum in New Orleans to develop a WASP exhibit. He facilitated a meeting with Museum staff that resulted in the Museum committing to the project. David was once quoted as saying, "I think in the final analysis, a measure of a man's worth, in the relatively short life we have on this planet, basically is, what favorable impact you've had on others." Let there be no doubt, that David Oreck's impact on his family, friends, society, aviation, and especially The 99s, is priceless. Congratulations and thank you David.

LITTLE NINETY-NINE

Here's to the girl with shining wings.
Who loves the sky, the clouds, and sings.

While piloting her plane about
She's just a bit ethereal no doubt.

That's fine.

Little Ninety-Nine.

I think it must be very true
That some brave ancestor to you
Sailed in the Mayflower to this land
So that she too might lend a hand.

Your line.

Little Ninety-Nine.

Perhaps great-grandmamma drove West
In covered wagon with those loved best

To build a country strong and new
And found a home for me and you.

Your kind.

Little Ninety-Nine.

So happy lady of the sky,
Little sister to all who fly.
You've helped build Aviation's fame
By gayly piloting your plane.

A pioneer, too,
Here's to you.

The Online Directory is also there. It's updated regularly and reflects the latest information available about our members. Through the various search criteria, you can look up a member by name, email address, Chapter office, etc. Or you can view all the members in your Chapter or Section. All the searches can be printed out and/or downloaded to your computer for use. If you do not wish to have your contact information online, you must supply Headquarters with written opt-out instructions.

In a rush and just remembered you need to renew? Online renewal is available.

Register for the Members Area

EDITORIAL GUIDELINES

The publication team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine.

The team will continue to accept an occasional article in longhand or typewritten submitted by members who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on *Ninety-Nines* magazine in the "Quick Links" section on the right-hand side of the page, then click on *Reporter's Online Form* directly under the links to the current issue. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Microsoft Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and do not use headers and footers. This applies to all types of articles.

Please email articles as text attachments and try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (>).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone number and email address with your submission.

DEADLINES:

January-February issue: December 1

March-April issue: February 1

May-June issue: April 1

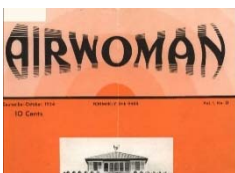

July-August issue: June 1

September-October issue: August 1

November-December issue: October 1

January 1934
September 1934

Photograph Submissions

In rare instances, we will accept mailed photographs. Please make sure they are adequately identified as belonging to you. Also provide caption information and photographer credit if applicable.

Captions should accompany all photos. Each caption should explain who, what, when, where and other appropriate information. Include photographer credit if applicable.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest setting. Many cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings). For smartphone cameras, be sure to use the "High" quality setting, and if available, shoot your photos RAW (again, check your manual for specific settings). We need the highest quality photos in case we want to enlarge them to use as a feature photo or even cover picture.

If you are scanning a photo, the setting should be for a photo at 300 dpi. If the photo is very small, enlarge to 200 percent and scan at 600 dpi.

We will adjust photos for color and crop for size as needed for publication.

Important: Try to avoid photos copied from newspapers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Send photo(s) as separate attachments along with your article email. Rename the photo(s) first to identify it with the article.

**This Is Your Life
ZADDIE BUNKER**

Hope all of you 99's had the pleasure of seeing Zaddie featured on TV in the "This Is Your Life" series. Fran Bera, you were wonderful, too. But, then, how could a program miss with these two fine people on it. Congratulations to the both of you from all the 99's.

Lyrics are:

In the air
Everywhere
It's the song of The Ninety-Nines
Wings in flight
Day and night
With the song of The Ninety-Nines
On the line
Fliers fine
Ships and spirits tuned in rhyme
Keep that formation over the nation
With the song of The Ninety-Nines

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$_____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."*

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND
MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
