## BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc.® is an international organization of women pilots in more than 40 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

### EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily

educational and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

*November 2, 1929 – Organizational meeting for what would become The Ninety-Nines, Inc.®*

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education.

In 2010 and 2011, The Ninety-Nines were awarded grants by the Lightspeed Aviation Foundation for charitable activities based on votes from the aviation community. The organization was honored again in 2014 when it was inducted into the San Diego Air and Space Museum. In 2019, the National Aeronautics Association awarded the organization the Cliff Henderson Trophy.

**MUSEUMS**

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today, it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

**MENTORING**

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

**SCHOLARSHIPS**

Each year, the organization awards two different types of flight training awards through the Amelia Earhart Memorial Scholarship Fund which was established in 1941. The AEMSF Flight Training Scholarships go to qualified members worldwide for advanced flight training, Academic or Technical Scholarships for coursework in specialized branches of aviation or the Amelia Earhart Research Scholar Grant for specialized research to

expand knowledge about women in aviation and aerospace.

Since 1941, AEMSF scholarships have been awarded to 840 members totaling over \$12,400,000 plus helped 346 student pilots with funding for their pilot licenses. In 2022, scholarships were given to 49 99s and student pilot members totaling more than \$338,808.

Through the years funding for these scholarships have included member contributions, Perpetual Scholarships in honor of or in memory of members and major industry support from businesses such as United Parcel Service, United Airlines and American Flyers. In addition to the Amelia Earhart Memorial Scholarship Fund scholarships, a number of Sections and Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

**AWARDS**

**The Katharine Wright Trophy.** This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

**The Ninety-Nines Award of Merit** honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.®

**The Ninety-Nines Awards of Achievement (3)** recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.®

**The Ninety-Nines Award of Inspiration** is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

**The President's Award** The President's Award honors those who, in the estimation of the President, have gone above and beyond in their service to the organization in a given year.

**The George Palmer Putnam Award**, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

### NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,  
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we thank you for the courageous pioneers who first mastered those laws so that all of us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and survey its glory as few others can, heighten, Oh Lord, our appreciation for the beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep us steady when we find ourselves suddenly "on top" and our human balances begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and show us the way, for it is so good to be able to fly.

***Award of Achievement for Contributions to Aviation – Ursula Davidson***

When Ursula Davidson learned to fly while living in the Bahamas in 1973, she did not expect it to change her life, but flying opened up a wonderful new world and started her on an exciting new career. Ursula, her husband, and son had gotten “sand in their shoes” while vacationing in Freeport and moved there from Washington, D.C. to develop a condominium complex in 1967. They loved the islands and flying a small plane was a great way to visit them.

Circumstances changed, but moving to Miami, getting a divorce and having to start over financially didn't keep Ursula from flying. With a commercial certificate and a multi-engine rating she flew charters and for a small corporation. She got a job teaching ground school at Opa Locka Airport. In 1977, The Ninety-Nines came to her rescue and awarded Ursula the Amelia Earhart Scholarship enabling her to earn her flight instructor certificate.

Ursula flew 1,000 hours during her first year as a freelance flight instructor. Fran Sargent, a fellow 99, WASP and college professor, suggested Ursula teach part-time at Miami-Dade Community College. With a master's degree from her previous career as a journalist and her increasing aviation credentials, Ursula was soon teaching full time. She coached the flight team to win the Southeast Regional NIFA (National Intercollegiate Flying Association) competition.

Ursula moved to Broward Community College in Fort Lauderdale to become the first woman to head a collegiate aviation department. While there she developed the Aviation Institute with its own building (number 99), hangar and ramp that linked the campus with North Perry Airport. She secured FAA certification for a new aircraft mechanics school and helped the flight and administration programs to grow. She is most proud of the many students she helped with their careers.

For her contributions to aviation education and safety Ursula has received numerous awards from the FAA, University Aviation Association and the Greater Miami Aviation Association, where she was elected its first female president in 70 years. Always active in the Ninety-Nines, Ursula has served in all offices in her chapter, chairman three different times and secretary of the Southeast Section. As permanent trustee she oversees the chapter's scholarship program. Ursula has over 7,000 flight hours, close to 4,000 instructing and qualified to join the United Flying Octogenarians (UFOs).

***Award of Achievement to The Ninety-Nines – Jean ‘Sunny’ Schiffman (posthumously)***

Jean “Sunny” Schiffmann (1924-2020) dedicated her life to excellence in aviation. Her involvement and leadership in The Ninety-Nines weaves throughout her aviation career, influencing women through her wisdom, strength of character, steady and patient manner, joyful involvement, and remarkable good humor.

As a teen, Jean Marilyn Larson forged a new outlook for herself - “Sunny”. She learned shorthand and typing in high school, Morse code from her brother, leading to aviation radio and weather work for the CAA 1943-1950.

Her experiences flying during this time gave her a sense of peace and wonder “leaving problems down below”. She married Pat Schiffmann, pilot and co-worker in the CAA. She received her private pilot ASEL in October 1950.

After raising four sons into high school, she began air racing, including 50+ Transcontinental and Palms to Pines races, winning her last race at age 82!

Jean shared her joy of flying with others. In 1972, she was an Amelia Earhart Scholarship recipient. From 1973 to 1991 she was a full-time flight instructor. Her other ratings include multi-engine AMEL, commercial, sea plane and CFI-I.

Jean joined the Long Beach CA 99s in 1968, holding offices every year through 1991, including two terms as Chairman. She served as Accident Prevention Counselor for the Long Beach FSDO 1977-1991, receiving a FAA Certificate of Competency in 1978. She gave numerous aviation safety talks for the FAA, 99s, Lion's Club, and flying clubs. Jean conducted ground school training for Girl Scouts. In 1987, she was awarded the “FAA Administrator's Award for Excellence in Aviation Education”.

In 1993, Jean joined the Columbia Cascade chapter of the 99s, serving in various offices and writing the “Jean-O-Gram” newsletter column. She coached Chapter pilots to try new endeavors, including obtaining instrument ratings, starting Part 135 operations, and flying the Palms to Pines race. She helped author the “Flying Companion Seminar” Oregon Air Fair 1994 and spoke at many FCS seminars, local WA schools, JROTC and Boy Scouts. She gave 50+ EAA Young Eagle rides. In 1996, she was a 99s Northwest Section Achievement Award winner. In 2007, Jean received the FAA Wright Brothers Master Pilot Award.

**President's Award –Ellen Nobles Harris**

Ellen Nobles-Harris joined The 99s in 1991. Not one to sit on the sidelines and wait for other members do all the work, she immediately got involved by serving as her chapter's treasurer. Later, she served on her chapter's Bylaws Committee. But she didn't stop there.

In 1992, she became the Mid-Atlantic Section's Airmarking Chairman. Two years later, she stepped up to serve on her Section's Board, first as Treasurer, then as Governor. Ellen also served in several other positions in the Mid- Atlantic Section, including Membership Chairman, Webmaster, Bylaws Committee member, and our 2006 Annual Conference Treasurer. But, again, she didn't stop there.

Recognizing a need for volunteers at the International level, Ellen stepped up again. Ellen produced instructions, which are available on our website, for filing the IRS Form 990-N to help chapters that file tax forms. Since 1996, she has served in several positions, including International Airmarking Chairman, Council of Governors Spokesperson, International Bylaws and Standing Rule Committee member, Life Member Ad Hoc Committee member, and Building Maintenance Committee member. During one two-year period, Ellen served simultaneously on nine chapter, section, and international committees.

Ellen has given her time and energy to our organization. But she hasn't stopped there.

Less than two years ago, Ellen recognized that poor internet connectivity at our Headquarters was causing many problems and slowing down our day-to-day operations. She stepped forward, and thanks to her generosity, we were able to significantly upgrade our internet capability. The upgrade required more than just flipping a switch; trenches had to be dug and wires and cables were laid between our two buildings. Prior to the upgrade, our internet speed was less than 10 megabytes per second (MBPS); now our speed is over 900 MBPS and we are able to successfully execute daily off-site backups of our office computers and servers. Thanks to this upgrade, we will be able to rapidly restore our computers and servers in the event a natural disaster were to hit our headquarters.

But Ellen didn't stop there. Due to the continuing COVID-19 pandemic, the 2021 Annual Meeting was switched to virtual platform. Ellen knew that we wanted to conduct a fully functional virtual Annual Meeting, in which all members from around the world could discuss and debate the pros and cons of proposed amendments as well as other business. She also knew that our organization did not have the

technological infrastructure to host such an endeavor and that the required upgrades would be extremely costly. Ellen offered her financial support to hire a technology expert to guide us through the necessary upgrades. She also paid for the very- costly equipment that we required. Because of Ellen's generosity, in addition to our fully functional virtual Annual Meeting, we were able to hold an extremely productive virtual "Comm Session" hosted by our Bylaws and Standing Rules Committee and two informative ElectionBuddy training sessions, each backed by on-site technical support.

But Ellen didn't stop there. She looked ahead to the future.

When the threat of the pandemic ends, the International Board of Directors (IBOD) plans to hold hybrid IBOD meetings that will allow our members to participate simultaneously either in person or via the internet. Ellen recognized that we needed to make many costly upgrades to our Headquarters boardroom in order to make this happen. She stepped up and generously paid for video cameras and microphones, necessary electrical cables, and wiring, two Vibe digital whiteboards, a large multi-functional flat screen television, blackout shades for our wall of windows, and new comfortable chairs and tables for all attendees. Now, in addition to our IBOD meetings, we can host seminars and educational programs for the local community and broadcast webinars and special events worldwide - all thanks to Ellen's generosity.

But Ellen didn't stop there.

Knowing that hosting this year's hybrid Annual Meeting would create many additional challenges, Ellen stepped up again by funding the needed technical and audio-visual equipment and support. Several of our Section governors know the costs involved in hosting a hybrid section meeting. Imagine the cost of hosting a hybrid international Annual Meeting for over 6,600 members. We will be able to use this equipment for all our future Annual Meetings, too.

Overseeing a nonprofit's budget is a balancing act, often requiring difficult decisions regarding where to spend the organization's funds. Unfortunately, infrastructure improvements and upgrades usually come with a hefty price tag. Should we spend our members' dues on upgrades that serve our Headquarters' needs or should we spend it on member services? Should we spend money from the Endowment Fund on our infrastructure or should we spend it on membership recruitment and retention? Often, finding the funds required to meet the organization's obligations is quite challenging; there simply is not enough money to address all our needs.

Consequently, upgrades and improvements to the infrastructure are often pushed to the back burner.

Ellen Nobles-Harris stepped up. She recognized our needs and the dilemma we faced. She removed the financial burden by generously paying for the necessary updates and upgrades. Ellen never micromanaged the various aspects of these projects. Instead, at times when she felt that we were being too conservative with our planning, she let us know that we were not thinking big enough and encouraged us to do more and reach higher. Without Ellen's help, our organization would have struggled to stay connected and move forward.

Thanks to Ellen's generosity, we are able to host hybrid IBOD and Annual Meetings, allowing all members to actively participate, regardless of location. Thanks to Ellen's generosity, we are able to increase our community outreach through seminars, webinars, and speaker series. Thanks to Ellen's generosity, we have been able to continue the business of The 99s - and evolve. Thanks to Ellen's generosity, the possibilities are unlimited.

It is an honor to present the 2022 President's Award to Ellen Nobles-Harris. Thank you, Ellen!

#### **Award of Inspiration – Zara Rutherford**

*"I was born into a family of aviators and was lucky to have great role models in my parents and grandparents. I want to build on this heritage and inspire others. My aim is to encourage girls and young women to pursue their dreams and promote aviation and STEM-related careers (science, technology, engineering, mathematics) for them."*

*"With my flight I want to show young women that they can be bold, ambitious and make their dreams come true."*

Nineteen-year-old Belgian-British pilot Zara Rutherford announced her intention to become the youngest female pilot to fly solo around the world at a news conference in Popham Airfield near Winchester on July 26, 2021, having earned her pilot's license only the year before. In pursuit of her goal, she set out from Belgium on August 18 on a 32,000-mile journey west, flying a Shark ultralight, a single-engine low-wing aircraft. Her flight was supposed to take three months, but extreme weather and visa issues kept her grounded sometimes for weeks on end, including month-long stays in Alaska and Russia, extending her trip by about two months. She arrived at Kortrijk, Belgium, on January 20, 2022, 155 days after she departed. Her journey included more than sixty stops across five continents.

Zara dedicated this record-breaking accomplishment to all the young women trying to succeed in fields in which women are still under-represented. She hopes

to infuse young women and girls worldwide with the spirit of aviation and enthusiasm for studying science, mathematics, engineering, and technology. Zara is a member of the British Section of The Ninety-Nines.

#### **Award of Merit – Jim Riviere**

James "Jim" Riviere, Jr. was born and raised in South Louisiana. His father was responsible for his love for aviation. Jim became a Private Pilot in 1973 after graduating from LSU and has owned several aircraft through the years.

After joining the EAA in 1975, he then:

- Served as President of the New Orleans EAA Chapter in the late 70's
- Chartered and became the first President of the Louisiana State EAA Chapter in the early 80's
- Organized the Louisiana Fly-in Series in 1983 which consisted of 10-12 fly-ins held at several airports by EAA Chapters. The series continued for over 18 years.
- Served as Southeastern US Representative on the EAA Chapter Executive Committee that raised funds to move the headquarters to Oshkosh in the mid-80's.
- Received the EAA President's Award from Paul Poberezny in 1986.

Jim is also an AOPA member/ASN Volunteer and Charter member of two Wings of the Commemorative Air Force.

Jim's sport aviation volunteer work led him to realize that more needed to be done to promote all areas of Louisiana aviation. So then he:

- Worked with Louisiana aviation leaders to start the Aviation Association of Louisiana serving as a Charter Member and Board Member. The group was able to introduce a constitutional amendment that dedicated aviation fuel taxes for aviation purposes which were formerly going to general state budget areas. This resulted in hundreds of millions of tax dollars being dedicated to airport improvements.
- Developed an information web page called LaAviator.com after retiring in 2010 to keep the entire Louisiana Aviation community informed about news, events, and classifieds. He also added a Facebook page and sends two news emails a week to 1700 subscribers.

In recognition of his "decades of aviation promotion and advocacy", Jim was inducted into the International Forest of Friendship in Atchison, KS, in 2018.

### **EDITORIAL GUIDELINES**

The publication team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine.

The team will continue to accept an occasional article in longhand or typewritten submitted by members who do not have access to a computer.

### **Manuscript Submission**

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on *Ninety-Nines* magazine in the "Quick Links" section on the right-hand side of the page, then click on *Reporter's Online Form* directly under the links to the current issue. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Microsoft Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and do not use headers and footers. This applies to all types of articles.

Please email articles as text attachments and try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone number and email address with your submission.

### **DEADLINES:**

January-February issue: December 1

March-April issue: February 1

May-June issue: April 1

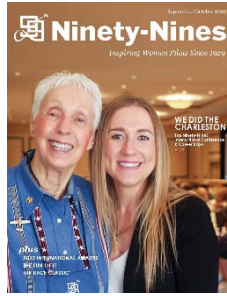

July-August issue: June 1

September-October issue: August 1

November-December issue: October 1

### **Photograph Submissions**

In rare instances, we will accept mailed photographs. Please make sure they are adequately identified as belonging to you. Also provide caption information and photographer credit if applicable.

September/October 2022

Captions should accompany all photos. Each caption should explain who, what, when, where and other appropriate information. Include photographer credit if applicable.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest setting. Many cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings). For

smartphone cameras, be sure to use the "High" quality setting, and if available, shoot your photos RAW (again, check your manual for specific settings). We need the highest quality photos in case we want to enlarge them to use as a feature photo or even cover picture.

If you are scanning a photo, the setting should be for a photo at 300 dpi. If the photo is very small, enlarge to 200 percent and scan at 600 dpi.

We will adjust photos for color and crop for size as needed for publication.

Important: Try to avoid photos copied from newspapers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Send photo(s) as separate attachments along with your article email. Rename the photo(s) first to identify it with the article.

Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. **INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.**

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

**FREQUENTLY ASKED QUESTIONS****How do I donate an item to The Ninety-Nines?**

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

**May I specify how the object I donate may be used or displayed?**

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

**Is my donation tax-deductible?**

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

**How do I deliver my donation to Headquarters?**

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
