BUILDING TOMORROW'S AVIATION HISTORY TODAY

The Ninety-Nines, Inc. is an international organization of women pilots from 47 countries. While the majority of its members live in the United States, the organization has been international in scope since its founding.

The organization was founded November 2, 1929, at Curtiss Field, Valley Stream, Long Island, New York. All 117 women pilots at the time were invited to assemble for mutual support, the advancement of aviation and a central office to keep files on women in aviation. Louise Thaden was elected secretary and worked to keep the group together as they struggled to establish themselves and to grow. Those early purposes continue to guide the organization today.

In 1931, Amelia Earhart was elected the first president, and the group selected the name "Ninety-Nines" to represent the 99 charter members. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been opened to include women with student pilot certificates.

EDUCATIONAL & CHARITABLE PROJECTS

The Ninety-Nines' mission in the fields of aviation and aerospace is primarily

educational and charitable. Currently, among a long list of activities, Sections and Chapters sponsor aerospace workshops for teachers and students, airport tours, fear-of-flying clinics for airline passengers, right-seat seminars and flight instructor revalidation seminars.

Always at the forefront of aviation education, The Ninety-Nines became the first industry member on the Federal Aviation Administration Safety Team (FAAST). The goal of this program is to provide a positive safety culture within the aviation community.

Members in the U.S. have worked with the National Intercollegiate Flying Association student flying competitions since 1948 as judges, scorekeepers, and teachers, as well as providing funding assistance. Expertise gained from working with the NIFA organization led The Ninety-Nines to sponsor the U.S. and Canadian Precision Flight Teams, as well as participate on the international level as judges for world precision flying competitions. In 1985 and again in 1996, The Ninety-Nines hosted the World Precision Flying Competition—the first organization to do so more than once.

Other international-level activities have included hosting two World Aviation Education and Safety Congresses in India in 1985 and 1993, and one in Nepal in 2000.

*November 2, 1929 – Organizational meeting for what would become
The Ninety-Nines, Inc.*

In 1984, the organization received the National Aviation Hall of Fame Spirit of Flight Award for "outstanding contributions to progress in aviation and space," and in 2000 was inducted into the Oklahoma Air & Space Museum Hall of Fame. In 2001, the National Aeronautic Association honored The Ninety-Nines with the prestigious Frank G. Brewer Trophy for aerospace education.

MUSEUMS

In 1984, the organization purchased the Amelia Earhart birthplace located in Atchison, Kansas, through a generous gift from Dr. Eugene Bribach. The Ninety-Nines, along with the City of Atchison, implemented an ongoing effort to fully restore the home to reflect the 1897-1909 period of Amelia's childhood.

The 99s Museum of Women Pilots, located on the grounds of Will Rogers World Airport in Oklahoma City was dedicated in July of 1999. Today it houses one of the largest collections of records and memorabilia about women and aviation outside of the Smithsonian.

MENTORING

The 99s Professional Pilot Leadership Initiative provides mentoring to accelerate the advancement of women in all pilot professions. It provides highly motivated 99s members with the tools to develop their careers and leadership abilities through guided activities and formal mentoring partnerships with experienced women pilot professionals.

SCHOLARSHIPS

Each year, the organization awards Amelia Earhart Memorial Scholarships to qualified members for advanced flight training, coursework in specialized branches of aviation or for specialized research to expand knowledge about women in aviation- aerospace. In 2011, twenty-four Amelia Earhart Memorial Scholarships were given to members in five different countries.

Funding for these scholarships include member contributions and major industry support from United Parcel Service.

In addition, a number of Chapters provide local scholarships to benefit women seeking their pilot certificates or other ratings.

AWARDS

The Katharine Wright Trophy. This trophy, honoring the sister of Wilbur and Orville Wright, is presented jointly by The Ninety-Nines and the National Aeronautic Association (NAA) to a woman who has made a personal contribution to the advancement of the art, sport, and science of aviation and space flight over an extended period of time.

The Ninety-Nines Award of Merit honors nonmembers or organizations making significant contributions to aviation, education, science, or history, or to The Ninety-Nines, Inc.

The Ninety-Nines Awards of Achievement (3) recognize Ninety-Nines, Sections, or Chapters or others making significant contributions to aviation, humanitarian efforts or to The Ninety-Nines, Inc.

The Ninety-Nines Award of Inspiration is a special recognition from the Board of Directors to an individual, group, organization or agency whose participation, achievements or activities have had a significant impact on The Ninety-Nines, the world aviation community, or the art and science of aviation or aerospace.

The President's Award honors Ninety-Nines, individuals or an organization who in the estimation of the President, has gone above and beyond in their service to the organization in a given year.

The George Palmer Putnam Award, named after Amelia Earhart's husband, recognizes the exceptional support of individuals or a group.

NINETY-NINES PRAYER

Oh, Lord, it is good to be able to fly,
to share with your winged creatures the joy of our freedom of flight.

We thank you for your wondrous natural laws that lift our wings skyward and we
thank you for the courageous pioneers who first mastered those laws so that all of
us could fly through your friendly skies.

But as we soar high above this beautifully jeweled island home we call Earth and
survey its glory as few others can, heighten, Oh Lord, our appreciation for the
beauty of your creation, and increase our dedication to care for it.

And we beseech your presence with each of us whenever we are airborne. Keep
us steady when we find ourselves suddenly "on top" and our human balances
begin to play tricks on us.

Keep us alert when our throttles are at cruise, but our minds become lulled into
idle, and keep us safe as we gently return to the earth from which we came.

We believe you are with us, Lord, but help our disbelief. Stay close by us and
show us the way, for it is so good to be able to fly.

**Award of Achievement for
Contributions to Aviation**
Emily Howell Warner

When Emily was still a teen-ager, she received an invitation from two pilots to take a ride in the jump seat of a DC-3. This ride sparked the interest in aviation that, fueled by Emily's determination and drive, eventually led her to the first airline captain's seat ever awarded to a female pilot.

Emily triumphed in the field of aviation, becoming "the first" in many achievements: 1st woman hired by a commercial airline; 1st female airline captain; 1st woman to lead an all-female airline crew; 1st woman member of the Airline Pilots Association; and 1st woman FAA Pilot Examiner. Emily has been inducted in the Living Legends of Aviation, the Colorado Women's Hall of Fame, and the National Women's Hall of Fame. Her captain's uniform is on display at the Smithsonian Air and Space Museum.

**Award of Achievement for
Humanitarian Efforts**
Danielle Aitchison

Furloughed from a regional airline in New Zealand, Danielle embarked on an adventurous path. After flying in Angola for a year, she accepted a position with the United Nations World Food Programme in Afghanistan.

Danielle flew humanitarian workers to numerous locations in a Beech 1900D, facing daily challenges of weather, mountainous terrain, and military conflict. In one incident, she and her crew decided to continue working after surviving a suicide bomb attack. After two tours in Afghanistan and Pakistan, Danielle went to Chad to fly aid workers into the Darfur region. She also flew weekly operational flights in Cameroon as part of a short-term humanitarian effort to help stabilize the region. Danielle returned home to New Zealand to pursue her jet type

rating after contracting malaria while on her last flying contract in the Comoros Islands.

**Award of Achievement for
Contribution to The Ninety-Nines
(Two Awards)**

Lisa Cotham

A member of The Ninety-Nines for twenty-three years, Lisa has never allowed the eighty-mile distance from the New Orleans Chapter prevent her from holding nearly every chapter office and committee chairmanship. She organized the first Wings Weekend ever held in Louisiana, started the Flying Buddy seminar for non-pilot right-seaters, and assisted in Girl Scouts Day, airmarking projects, and numerous other projects.

Lisa has served twice as Southeast Section Governor, was elected to the first Board of Trustees for the 99s Museum of Women Pilots in 2000, and was Board Chairman in 2003. She wrote a successful grant application through the National Endowment for the Humanities. In 2005, Lisa was elected to The Ninety-Nines International Board of Directors, where over the course of two terms she was she led many major projects.

After her term on the International Board ended, Lisa facilitated The 99s becoming the first industry partner in the FFAST program.

Mary Margaret Wunder

As an air traffic controller in some of the nation's busiest airspace, Mary has facilitated tower tours for fellow 99s, school groups and other aviation organizations, encouraging better understanding and cooperation between controllers and pilots, as well as promoting careers in aviation for women. The FAA awarded Mary a Special Achievement Award in 1992.

A member of the Eastern Pennsylvania Chapter since 1981, Mary has served in many chapter positions and was instrumental in

fund-raising for the chapter's scholarship program.

Mary served on the International Board of Directors from 1997-2002, holding the offices of Director and Secretary. Her current passion is The Ninety-Nines Endowment Fund, for which she serves as the Chairman. Recognizing that future growth for The Ninety-Nines requires a dependable source of income, Mary is working tirelessly to meet the Endowment Fund's million-dollar goal.

Award of Inspiration
Terri Donner

Terri Donner, Kentucky Bluegrass Chapter, joined The 99s at eighteen. She completed her instrument, commercial, and CFI certificates and ratings while attending the University of Wisconsin. At twenty, she was hired by the Wisconsin Department of Transportation as the state airport inspector. During this time period, Terri received an AE Scholarship, her to complete her multi-engine rating.

She was named Flight Instructor of the Year in Kentucky and the Southeast Region in 1986. Hired by United Parcel Service as a flight engineer on the B727 in 1989, eighteen months later she upgraded to first officer, and six years later to captain. Terri transitioned to the A300 after the B727 fleet was retired.

Soon after Terri began her career with UPS, she convinced UPS to direct funds to the Amelia Earhart Scholarship program. UPS has donated to the AE scholarship every year since 1990. Terri has mentored dozens of girls and women. In 2009 she conducted a weeklong aviation camp for fifteen girls. In just this year so far Terri has provided tours of her Airbus for the Boys and Girls Club, conducted the 7th annual Junior Girl Scout Aerospace Badge Day, with 200 girls earning their badge.

Award of Merit

Jerry Clubb

The Award of Merit recognizes a significant contribution to any facet of aviation made by an individual who is not a member of The Ninety-Nines. Jerry Clubb is recognized this year for his outstanding technical excellence in the field of spacecraft avionics development and operations, bringing about significant advances to America's human space flight and exploration programs. Jerry is recognized in the space flight community as one of the world's leading software, hardware, and integration experts. As a NASA employee, he was the recipient of three Exceptional Service Medals and the Outstanding Leadership Medal. The astronauts presented Jerry with the "Silver Snoopy Award" for designs that directly contributed to their safety. Jerry was also awarded the "Gagarin Medal" during his nine years as resident NASA avionics manager in Moscow. Jerry is now with ATK Space Systems lending his expertise to the development and integration of avionics systems for the Ares I launch vehicle that will lift future space crews into orbit.

President's Award

The Ninety-Nines Headquarters Staff

The 2011 President's Award is conferred on the staff members at our Oklahoma City Headquarters for their impressive and inspiring commitment to each and every member and facet of The Ninety-Nines. They work as a team, supportive of one another. They work nights, weekends, arrive early, check the property after storms, and meet special guests for museum tours at unpredicted hours. They live, breath, walk and talk all things "Ninety-Nines." Four employees and one volunteer comprise the staff: Headquarters Manager Laura Ohrenberg,

Receptionist and Membership Assistant Lesley Niblett, Accounting Clerk Nancy Thompson and Accounting Coordinator Kimberly Hazlett and Carol Sokatch, 99s volunteer. Laura began her employment in 2006, first as Accounting Coordinator, then Membership Coordinator and in 2007 was promoted to Headquarters Manager. She responds promptly to all inquiries and serves on the Building Maintenance and Publications Committees and as Trade Show Chairman. Laura has a degree in Accounting and shares her technology talents by managing our Facebook pages, serving as Webmaster and now developing an SQL database in anticipation of converting from Lotus Notes. Lesley started with The Ninety-Nines in September 2009. In addition to her reception and membership duties, she escorts visitors through the Museum of Women Pilots, books tours and works directly with members regarding their membership. Hers is the friendly voice you hear first when calling our Oklahoma City Headquarters. Nancy is our Accounting Clerk, working part-time and handling accounts receivable, payable and payroll while also handling the caretaker reports for the Amelia Earhart Birthplace Museum and Museum of Women Pilots. She has an Associate of Customer Service Designation through the Life Office Management Association. Kimberly has a B.S. in Accounting and a Master's in Education. She taught elementary principles of flight at the Sooner Flight Academy in Norman, OK. Kimberly first began working for The Ninety-Nines in 2002, spearheading the overall systematic cleanup of our accounting records for consistency and accuracy. Carol joined The 99s in 1982 and has been a regular volunteer at our headquarters for over 10 years.

George Palmer Putnam Award

Gail Mesa Norman

The George Palmer Putnam Award honors an individual who is not a member of The Ninety-Nines for his or her support of The 99s. A long-time community activist, writer, and event coordinator, Gail has used those skills to promote general aviation and The Ninety-Nines in the Maryland area for many years. In 1994, she urged the Frederick city and county governments to support the Wings of Freedom Air Show. She became the event coordinator and chief fundraiser, working closely with aviation organizations to recognize and celebrate the sacrifices of military pilots. She became an outspoken advocate for the recognition of women's contributions to aviation. When the Sugarloaf Chapter was asked to host the terminus of the 2010 Air Race Classic in Frederick, the chapter turned to Gail for assistance. Gail spent the next fifteen months on this project. When Gail learned that Heather Taylor was working on the documentary *Breaking through the Clouds*, she encouraged her to present at the ARC terminus. She also commissioned the artist Fran Duval to create a series of original art depicting both current and pioneering women race pilots. The result? The Sugarloaf Chapter was able to reinvest \$17,000 in the community, benefitting at-risk youth via aviation programs, supporting aging aviators through hospice, and offering aviation scholarships for women. Gail continues to support The Ninety-Nines through frequent public appearances in the Frederick area.

EDITORIAL GUIDELINES

The 99s News team has developed suggested guidelines to help members submit their news articles and photographs in a format that is most compatible with digital publishing requirements. Following the guidelines will help ensure accuracy and improve photo quality in the magazine. The 99 News will continue to accept articles in longhand or typewritten from those who do not have access to a computer.

Manuscript Submission

The easiest way to submit Chapter news is to go to The Ninety-Nines website and simply click on *99 NEWS Magazine* and then click on *Reporter's Online Form* directly above the links to past issues. Fill out the information you wish to submit and click *send it*. It's as easy as that!

Or, submit single-spaced text in Word, or similar word processing program, without any special formatting. Use only common fonts such as Times or Arial and avoid headers and footers.

If mailing your article, please send the text in PC format on a CD (or a floppy), along with a printout. E-mailed articles will be accepted as text attachments following the guidelines mentioned above. Please try to avoid typing your article directly into an email message, which results in many extra spaces and those pesky carets (> >).

Your articles may be edited by us for length and clarity prior to publication. Please furnish your name, address, phone/fax number and e-mail address with your submission.

DEADLINES:

January-March issue: December 1
 April-June issue: March 1
 July-September issue: June 1
 October-December issue: September

Photograph Submission

Photograph Submission: If you mail us photographs, please put your name on the back of every photograph you submit. It is best if you fill out a label and attach it to the back of the photograph. If you use ink be sure it is smear-proof (not ballpoint) and dries thoroughly. Furnish photographer's credits and caption information. Each caption should explain who, what, when, where and other appropriate information. Please do not use paperclips on photos. **NOTE:** If you are submitting more than 8 photos, send the photos on a CD or DVD.

Photos in black and white or color are acceptable. Digital photos should be taken at the camera's highest resolution setting. Many digital cameras take photos at a default resolution that may look great on your computer screen but will be fuzzy in print. Manually set your camera resolution to "Fine" or "Best Quality" (check your manual for specific settings).

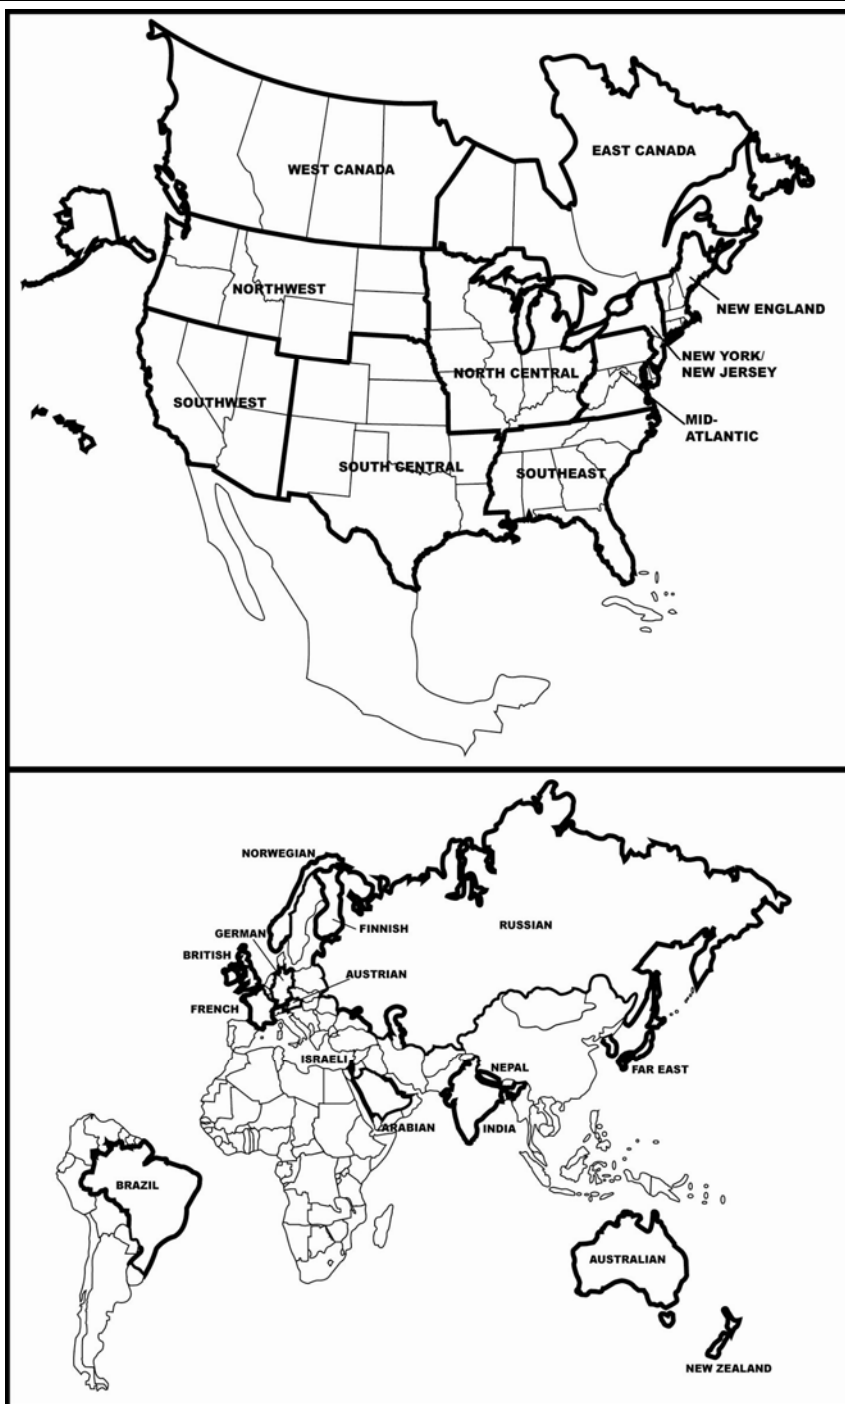

If you are scanning a photo, the setting should be at 300 dpi. If the photo is very small, please enlarge to 200 percent and scan at 600 dpi. We will adjust photos for color and crop for size as needed for publication.

Important--do not submit photos copied from newspapers, magazines or books or are reproduced on a copier. They produce a spotty pattern when published due to the dot system used in the printing process.

Please do not insert your photo into a text document. If you send the photo(s) by email, be sure to send the

photo as a separate attachment and rename the photo to identify it with the article.

CHARITABLE GIVING INFORMATION

The Ninety-Nines offers a number of opportunities for tax deductible giving. Contributions may be designated for any of the major projects, for the permanent endowment fund, or for the general support of the organization's operations.

Members are reminded that donations of appreciated assets, such as stock, mutual fund shares, or real estate, may avoid the payment of capital gains taxes by the individual donor. The tax deduction for such contributions is generally the fair market value of the asset as of the date of the donation.

Commemoration gifts may be made to recognize an important event, such as a graduation, anniversary, or other achievement (perhaps the attainment of a goal such as a license or rating). Memorial gifts may honor friends or family members. Gifts may be made for any specific reason or purpose, or for no other reason than to support and honor the gift of flight and the organization which supports us all.

People wishing to include more complex gifts in their retirement or estate plan should discuss their desires with the trustees of the Fund to which they want to donate. Gifts may be structured to provide tax-advantaged retirement income, to provide income for heirs, to provide income to the organization for a period of years with the principal eventually going to other beneficiaries, or to meet just about any other need. The tax advantages of using a charitable organization such as The Ninety-Nines, Inc., in your retirement and estate planning can be substantial. Talk to us.

There are many ways to include charitable gifts in your will or trust, including specific dollar amount or percentage bequests, contingency or residual bequests, or testamentary gifts. If you want your gift to be used for a specific purpose or program, it is important to mention that in the bequest or gift documentation. Such donor intentions will always be honored when they have been specifically stated.

SUGGESTED BEQUEST LANGUAGE

"I give (devise) and bequeath to The Ninety-Nines, Inc., a corporation chartered in Delaware, having its principal office at Will Rogers World Airport in Oklahoma City, Oklahoma, the sum of \$ _____ (amount) (or _____ percent of my residual estate), to be used for _____ (purpose). If I have not specified a purpose for these funds, or if the specified purpose is no longer associated with The Ninety-Nines, Inc., then these funds will be added to the principal of The Ninety-Nines Endowment Fund."*

For additional information, contact any of the trustees of The Ninety-Nines Endowment Fund, the Amelia Earhart Memorial Scholarship, the Amelia Earhart Birthplace Museum, the Museum of Women Pilots listed in The Ninety-Nines Directory or International Headquarters, 4300 Amelia Earhart Road Ste A, Oklahoma City, OK 73159-1140, phone 1-800-994-1929 or 405-685-7969 or fax 405-685-7985. All requests for information will be treated confidentially.

*Purpose: The Ninety-Nines Endowment Fund, the Amelia Earhart memorial Scholarship Fund, the Amelia Earhart Birthplace Museum, The 99s Museum of Women Pilots or The Ninety-Nines International Headquarters.

INFORMATION FOR POTENTIAL DONORS OF HISTORIC OBJECTS AND MATERIALS TO THE NINETY-NINES, INC.

The Ninety-Nines, Inc. collects historic materials that support its purpose of preserving and interpreting the history of women pilots. The artifacts collected to tell this story come in many forms, including photographs, manuscripts, documents, and three-dimensional objects and are located at the organization Headquarters (Oklahoma City, OK), in the Amelia Earhart Birthplace Museum (Atchison, KS), or The 99s Museum of Women Pilots (Oklahoma City, OK).

The Ninety-Nines appreciates the potential donation of any of these items, but must be selective in the acceptance of materials. Limitations on space and other resources must be considered when looking at possible donations. The decision whether or not to accept a donation is based on several factors, including the item's condition, history, uniqueness, and relevance to the organization's mission, as well as the organization's capability to properly care for, preserve, store and exhibit the object.

FREQUENTLY ASKED QUESTIONS

How do I donate an item to The Ninety-Nines?

Anyone considering making a donation should first call Ninety-Nines Headquarters to be sure the items are appropriate for the collection. Upon acceptance, you will receive a Deed of Gift form to sign and return, with a copy provided for your records. The objects should then be delivered to Headquarters.

May I specify how the object I donate may be used or displayed?

Exhibit topics, space and preservation concerns determine which artifacts are displayed and for what length of time. All artifact donations are considered outright and unconditional gifts to The Ninety-Nines and must be free of any legally binding restrictions contained in the terms of the gift. The organization cannot display every artifact it holds, yet these objects are of extreme importance for research, education, and preserving the heritage of women aviators.

Is my donation tax-deductible?

The Ninety-Nines recommends that you speak to your tax attorney concerning the deductibility of any donation. In many cases, donations are considered tax-deductible. The Ninety-Nines will not provide an appraisal of your donated item.

How do I deliver my donation to Headquarters?

Care should be taken in packaging your donated object for shipment. Wrap objects carefully and ship in a sturdy box. Documents and photographs should be removed from frames prior to shipment to Headquarters, unless the frame is of unusual value or relevance to the object itself. If you have any specific questions about shipment of objects, call Headquarters for more information, and they will have a person with museum expertise get back to you.
