

Canadian Rockies Selfie Poker Run

We called it a "Selfie" Poker Run. The rules were quite simple. We named 9 airports in the BC Interior where participants could choose 5 (take-off airport counted as one) to land and take a selfie of themselves showing the date (some showed a newspaper, others had the date on their phone photos) and an airport identifier (terminal, flying club, etc) then fly to the terminus, which counted as one also. Two 99s were set up at the terminus with decks of cards laid out where the participants could purchase poker hands, show their 5 airport selfie photos of then pick 5 cards for each hand which would be recorded. Judging of the hands took place while the participants enjoyed a lunch served by the local Flying Club then prizes were handed out after.

“Selfie” Poker Run – Okanagan, BC

~~Saturday, July 6, 2019~~

Rain Date, Sunday, July 7, 2019

How this works:

Land at five of the airports shown below **on the Poker Run Date**, take a selfie with you and the airplane at the airport. Make sure there is a **date** and some sort of airport identifier shown on the picture for proof. Your home field counts as one of the five, so take a picture before you take off.

Fly to the Terminus at the Vernon Airport **before 2:30PM**.

Buy 1 hand for \$15.00 or 2 for \$25.00. At the terminus draw your poker hand by showing the five airports you have landed at that day. (All proceeds go to the Canadian Rockies Chapter of the Ninety-Nines to support scholarships and education).

There will be burgers for purchase at the terminus, Vernon Flying Club.

Have a great day flying and a chance at some of the prizes for the best poker hands.

Airports:

Vernon, Salmon Arm, Kelowna, Penticton, Oliver, Osoyoos, Merritt, Kamloops, Revelstoke, and Your home airport.
